Explanatory Note

This Registration Statement registers shares of common stock of Take-Two Interactive Software, Inc. (the "Company"), par value \$0.01 per share ("Common Stock"), that may be issued upon settlement of restricted units (the "Restricted Units") granted by us on May 20, 2016 to ZelnickMedia Corporation ("ZelnickMedia") under the Company's 2009 Stock Incentive Plan (the "2009 Plan"). The Restricted Units consist of time-based restricted units

under which up to 107,551 shares of Common Stock are issuable, and performance-based restricted units under which up to 265,384 shares of Common Stock are issuable. The Restricted Units were granted pursuant to the terms of a Restricted Unit Agreement, dated as of May 20, 2016, by and between the Company and ZelnickMedia (the “Restricted Unit Agreement”) and represent additional equity awards under the terms of the Management Agreement, dated as of March 10, 2014, and effective April 1, 2014 (the “Management Agreement”), with ZelnickMedia. Pursuant to the Management Agreement and Restricted Unit Agreement, the Company will have the right to elect to settle the Restricted Units in shares of Common Stock that will be issued pursuant to the 2009 Plan.

This Registration Statement is on Form S-3 rather than Form S-8 because a Compliance and Disclosure Interpretation of the Securities and Exchange Commission (the “Commission”) on Securities Act Forms indicates that employees or consultants of an issuer may use Form S-8 to register securities issued under an employee benefit plan only if the consultant is a natural person.

This Registration Statement contains the form of prospectus to be used in connection with these offers. The form of prospectus is to be used by us in connection with the offer and issuance by us of shares of Common Stock upon settlement of the Restricted Units under the 2009 Plan.

USE OF PROCEEDS

We will not receive any proceeds from the offer and issuance by us of the Common Stock to ZelnickMedia pursuant to this registration statement on Form S-3.

RESTRICTED UNIT AWARD

As described above, this registration statement on Form S-3 registers shares of Common Stock that may be issued upon the settlement of restricted units (the “Restricted Units”) that are currently outstanding and held by ZelnickMedia Corporation (“ZelnickMedia”). The Restricted Units were granted by us to ZelnickMedia on May 20, 2016 under the Company’s 2009 Stock Incentive Plan (the “2009 Plan”). The Restricted Units, comprising both timed-based and performance-based restricted units as

2

[Table of Contents](#)

described below, were granted pursuant to the terms of a Restricted Unit Agreement, dated May 20, 2016, by and between the Company and ZelnickMedia (the “Restricted Unit Agreement”).

The Company is party to a Management Agreement, dated as of March 10, 2014, and effective April 1, 2014 (the “Management Agreement”), with ZelnickMedia. The Restricted Units represent additional equity awards granted pursuant to the terms of the Management Agreement. Pursuant to the Management Agreement and Restricted Unit Agreement, the Company will have the right to elect to settle the Restricted Units in shares of Common Stock that will be issued pursuant to the 2009 Plan.

Time-Based Award. On May 20, 2016 the Company issued to ZelnickMedia 107,551 time-based restricted units (such number determined by dividing \$3,850,000 by the average of the closing prices of the Company’s common stock for each trading day during the 10 trading day period immediately prior to April 1, 2016), which units will vest on April 1, 2018, provided that the Management Agreement has not been terminated prior to such date (the “Time-Based Award”). Notwithstanding the foregoing, the Time-Based Award will immediately vest in full if the Management Agreement is terminated by the Company without Cause or by ZelnickMedia for Good Reason. Conversely, ZelnickMedia will forfeit to the Company all Restricted Units under the Time-Based Award if the Management Agreement is terminated by the Company for Cause or by ZelnickMedia without Good Reason prior to April 1, 2018.

Performance-Based Award. On May 20, 2016 the Company issued to ZelnickMedia 265,384 performance-based restricted units (the “Performance Award”) (such number determined by dividing \$9,500,000 by the average of the closing prices of the Company’s common stock for each trading day during the 10 trading day period immediately prior to April 1, 2016), which units represent the maximum number of performance-based units that are eligible to vest and have been divided into three categories of vesting as follows: (i) on April 1, 2018, a number of New IP Performance-Based Units (as defined in the Restricted Unit Agreement) will vest equal to the product of (x) the target number of New IP Performance-Based Units in such vesting tranche (16,587) multiplied by (y) the New IP Vesting Percentage (as defined in the Restricted Unit Agreement) on the trading day immediately preceding April 1, 2018, which ranges from 0% to 200%, (ii) on April 1, 2018, a number of Major IP Performance-Based Units (as defined in the Restricted Unit Agreement) will vest equal to the product of (x) the target number of Major IP Performance-Based Units in such vesting tranche (16,586) multiplied by (y) the Major IP Vesting Percentage (as defined in the Restricted Unit Agreement) on the trading day immediately preceding April 1, 2018, which ranges from 0% to 200%, and (iii) on April 1, 2018, a number of TSR Performance-Based Units (as defined in the Restricted Unit Agreement) will vest equal to the product of (x) the target number of TSR Performance-Based Units in such vesting tranche (99,519) multiplied by (y) the TSR Vesting Percentage (as defined in the Restricted Unit Agreement) on the trading day immediately preceding April 1, 2018, which ranges from 0% to 200%.

In the event that any portion of the Performance Award will not have vested as of April 1, 2018 or upon a termination of the Management Agreement by the Company for Cause or by ZelnickMedia without Good Reason, ZelnickMedia will forfeit to the Company any and all Restricted Units that have not vested as of such date.

Treatment of Awards.

Upon a termination of the Management Agreement by the Company without Cause or by ZelnickMedia for Good Reason, any then-unvested restricted stock or units granted pursuant to the Performance Award (including any restricted stock or units granted to ZelnickMedia during the term of the Management Agreement on or after April 1, 2014) will vest on the assumption that the applicable performance measure was achieved at the target level of performance for the applicable performance period or, prior to a Change in Control (as defined in the Management Agreement), for TSR Performance-Based Units, based on the actual level of performance achieved for each applicable performance measure as of the date of termination.

If the Company and ZelnickMedia fail to enter into a new management agreement on substantially similar terms in the aggregate as those provided under the Management Agreement upon

3

[Table of Contents](#)

the expiration of the term of the Management Agreement or otherwise fail to agree to extend the term of the Management Agreement, all unvested time-vesting restricted stock or units granted during the term of the Management Agreement on or after April 1, 2014 will vest upon such expiration and all then-unvested performance-vesting restricted stock or units will vest based on the assumption that the applicable performance measure was achieved at the target level of performance for the applicable performance period or, prior to a Change in Control, for TSR Performance-Based Units, based on the actual level of performance achieved for each applicable performance measure as of the date of termination.

If a Change in Control occurs during the term of the Management Agreement, the Management Agreement will not automatically terminate and all unvested restricted units granted pursuant to the Restricted Unit Agreement will vest as set forth in the Restricted Unit Agreement, except that any restricted

stock or units granted to ZelnickMedia on or after April 1, 2014 will vest upon the earlier to occur of (x) a termination of the Management Agreement by the Company without Cause or by ZelnickMedia for Good Reason or (y) such other date set forth in the applicable restricted unit agreement (which date is April 1, 2018 for the Restricted Units), and, with respect to any performance-based restricted stock or units, in each case, based on the assumption of that the applicable performance measure was achieved at the target level of performance for the applicable performance period.

The foregoing descriptions of the Management Agreement and the Restricted Unit Agreement (including the Time-Based Award and the Performance Award issuable to ZelnickMedia thereunder) are only a summary and are qualified in their entirety by reference to the full text of the Management Agreement, which is attached as Exhibit 10.1 to the Company's Current Report on Form 8-K dated March 10, 2014 and incorporated herein by reference, and the Restricted Unit Agreement, which is attached hereto as Exhibit 10.2 and incorporated herein by reference.

The Plan will expire on February 18, 2019, unless it is terminated sooner, as discussed below. Under the Plan, the Company may award Stock-based incentives to selected eligible persons, as discussed below. The Plan allows for the grant of options, which provide the right to purchase shares of Stock at a fixed price at some time in the future (“**Options**”), including incentive stock options (“**Incentive Stock Options**”) within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder (collectively, the “**Code**”) and Options that are not Incentive Stock Options (“**Nonqualified Stock Options**”), stock appreciation rights, which are rights to receive an amount equal to the value of the appreciation in the Stock over a specified period (“**Stock Appreciation Rights**”), restricted stock awards, which are awards of Stock subject to certain

[Table of Contents](#)

vesting restrictions (“**Restricted Stock**”), and other Stock-based awards (collectively or individually, “**Awards**”).

A maximum of 27,208,954 shares of Stock have been reserved for issuance under the Plan, which includes 1,508,954 shares of Stock available for grant under the Company’s 2002 Stock Option Plan and the Company’s Incentive Stock Plan as of April 23, 2009. Of these shares reserved, no more than 1,000,000 shares of Stock may be subject to performance-based Options, Stock Appreciation Rights, Restricted Stock Awards, or other Stock-based Awards granted to any one employee of or consultant to the Company or any of its affiliates in any fiscal year, and the maximum number of shares of Stock subject to all such foregoing types of Awards cannot exceed 4,000,000 in any fiscal year. Additionally, no more than 50,000 shares of Stock may be subject to Nonqualified Stock Options, Stock Appreciation Rights, shares of Restricted Stock or other Stock-based Awards granted to any non-employee director of the Company or any of its affiliates in any fiscal year, and the maximum number of shares of Stock subject to all such foregoing types of Awards cannot exceed 100,000 in any fiscal year. There are no annual individual employee or consultant limitations on non-performance based Restricted Stock Awards. The share reserve and the limitations described above are subject to adjustment for changes in capitalization and other corporate events. The Plan is not governed by the Employee Retirement Income Security Act of 1974, as amended. The Company does not intend to send reports on a regular basis to participants as to the amount and status of any account holding any Awards.

Purpose

The purpose of the Plan is to enhance the profitability and value of the Company for the benefit of its stockholders by enabling the Company to offer Plan participants Stock-based incentives in the Company to attract, retain, and reward such individuals and strengthen the mutuality of interests between such individuals and the Company’s stockholders.

Administration

The Plan is administered by the Compensation Committee of the Board or such other committee or subcommittee established by the Board (the “**Committee**”), other than with respect to determinations relating to Awards granted to non-employee directors, in which case the Plan is administered by the Board. With respect to Awards granted to non-employee directors, any references herein to the Committee shall be references to the Board.

The Committee has full authority to select Plan participants, grant Awards, determine when an Award may be granted (provided that the grant date for Awards will be during the 45-day period following the Company’s filing of its quarterly report on Form 10-Q or the 30-day period following the Company’s filing of its annual report on Form 10-K or, in the case of a change in control occurring outside of any such periods, immediately prior to such change in control), determine the type and number of Awards and the number of shares of Stock to which an Award may relate, determine the terms, conditions, and restrictions relating to any Award, determine whether Options and other Awards are to operate in tandem with or apart from other awards made by the Company outside of the Plan, determine whether and under what circumstances an Award may be settled, determine whether amounts payable will be deferred in

[Table of Contents](#)

a manner intended to comply with Section 409A of the Code, determine whether to require a Plan participant to not sell or otherwise dispose of Stock acquired pursuant to an Award for a period of time as determined by the Committee, and generally to exercise such powers and perform such acts as the Committee deems necessary or expedient to promote the best interests of the Company. Additionally, the Committee may construe and interpret the Plan and any Award, prescribe, amend, and rescind rules and regulations relating to the Plan, prescribe Award agreements, and make all other determinations that are necessary or advisable for the administration of the Plan. All determinations made by the Committee with respect to the Plan will be binding on all persons.

The Committee may designate employees of the Company and its affiliates and professional advisors to assist the Committee in the administration of the Plan and may grant authority to officers or employees of the Company and its affiliates to execute agreements or other documents on behalf of the Committee relating to the grant of Awards. Additionally, the Committee may delegate to the Company’s Chief Executive Officer the authority to grant Awards to employees of or consultants to the Company who are not (i) then “covered employees” (within the meaning of Section 162(m) of the Code) and are not expected to be “covered employees” at the time of recognition of income resulting from such Award, (ii) persons with respect to whom the Company wishes to comply with Section 162(m) of the Code, or (iii) then subject to Section 16 of the Exchange Act; provided, however, that in no event shall the Chief Executive Officer grant Awards during any fiscal quarter covering in excess of (x) 10,000 shares to any one individual or (y) 100,000 shares in the aggregate.

Generally speaking, any action taken under the Plan relating to an Award intended to be “performance-based compensation” (within the meaning of Section 162(m) of the Code), or relating to an Award granted to a participant who is subject to Section 16 of the Exchange Act, must be taken by members of the Committee who are “non-employee directors” (within the meaning of Section 16b-3 of the Exchange Act) and “outside directors” (within the meaning of Section 162(m) of the Code).

Eligibility

Awards may be granted under the Plan to each employee of, consultant to, and non-employee director of the Company or any of its affiliates, as well as to prospective employees and consultants; provided, however, that only certain eligible employees of the Company, its subsidiaries, and its parent (if any) are eligible to be granted Options that are Incentive Stock Options. The vesting and exercise of Awards granted to a prospective employee or consultant are conditioned upon such individual’s actually becoming an employee of or consultant to the Company.

Description of Awards

Options

The Committee may grant Options that are either Incentive Stock Options or Nonqualified Stock Options to any employee of the Company or any of its affiliates or Incentive Stock Options to employees of the Company or its affiliates that qualify as subsidiaries or parent

[Table of Contents](#)

corporations (as defined under Section 424 of the Code). The Committee may grant Nonqualified Stock Options to any consultant to or non-employee director of the Company or any of its affiliates. The Committee will determine the terms of each Option grant, which will be set forth in a written Option agreement.

Exercise Price

The exercise price applicable to an Option will be set by the Committee at the time of grant, provided that the per-share exercise price may not be less than 100% (or, in the case of an Option that is an Incentive Stock Option granted to a person owning stock possessing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company, its subsidiaries, or its parent (a “**Ten Percent Stockholder**”), 110%) of the fair market value (as defined in the Plan) of a share of Stock on the date of grant.

Term

The term of each Option will be fixed by the Committee, provided that no Option will be exercisable more than ten (10) years after the date of grant, and provided further that the term of an Option that is an Incentive Stock Option granted to a Ten Percent Stockholder will not exceed five (5) years.

Vesting

Options will vest in the manner and on the date or dates as determined by the Committee and set forth in an Option agreement.

Exercise of Options; Method of Exercise; Payment of Exercise Price

Options will be exercisable at such time or times and subject to such terms and conditions as determined by the Committee at grant and set forth in an Award agreement. The Committee may provide that an Option is exercisable subject to certain limitations, including, without limitation, that such Option is exercisable only in installments or within certain time periods or upon attainment of certain financial results, and the exercisability of such Option may be accelerated by the Committee in its sole discretion. Subject to such limitations, to the extent vested, Options may be exercised in whole or in part at any time during the Option term by giving written notice of exercise to the Company specifying the number of shares of Stock to be purchased. Such notice must be accompanied by payment in full of the purchase price as follows: (i) in cash or by check, bank draft, or money order payable to the order of the Company; (ii) solely to the extent permitted by law, through the delivery of irrevocable instructions to a broker reasonably acceptable to the Company to deliver promptly to the Company an amount equal to the purchase price; or (iii) on such other terms and conditions as may be acceptable to the Committee.

Non-Transferability of Options

Subject to limited exceptions, Options cannot be transferred other than by will or by the laws of descent and distribution, except that the Committee may provide for the transferability of Nonqualified Stock Options at the time of grant or thereafter to certain family

[Table of Contents](#)

members, and may not be exercised during the participant’s lifetime by anyone other than the participant.

Incentive Stock Option Limitations

To the extent that the aggregate fair market value (determined as of the time of grant) of the Stock with respect to which Options that are Incentive Stock Options are exercisable for the first time by an employee of the Company or any of its affiliates during any calendar year under the Plan or any other stock option plan of the Company, any subsidiary, or any parent exceeds \$100,000, such Options will be treated as Nonqualified Stock Options.

Modification of Options

The Committee may modify, extend, or renew outstanding Options granted under the Plan and accept the surrender of outstanding Options; provided, however, that notwithstanding the foregoing, unless approved by the Company’s stockholders, an outstanding Option may not be modified to reduce the exercise price thereof or cancelled in exchange for cash, other Awards or Options with an exercise price that is less than the exercise price of the original Options, other than adjustments or substitutions for changes in capitalization, as described below.

Detrimental Activity

Unless otherwise determined by the Committee at the time of grant, if a participant engages in detrimental activity (as defined in the Plan), prior to any exercise of an Option, all Options held by the participant will terminate and expire, or if a participant engages in detrimental activity during the one year period commencing on the later of the date the Award is exercised or becomes vested, the Company may recover from such participant at any time within one year after such exercise or vesting, and the participant must pay, upon the Company’s request, any gain realized as a result of the exercise (whether at the time of exercise or thereafter).

Some examples of detrimental activity include disclosing confidential information about the Company, soliciting any employee of the Company to be employed by a competitor of the Company, material breach of any written agreement with the Company, or activity that results, or if known could reasonably be expected to result, in a termination for “cause.”

Tandem Stock Appreciation Rights

Stock Appreciation Rights may be granted in conjunction with all or part of any Option (a “**Reference Stock Option**”) granted under the Plan (“**Tandem Stock Appreciation Rights**”). In the case of a Nonqualified Stock Option, such rights may be granted either at or after the time of the grant of such Reference Stock Option. In the case of an Option that is an Incentive Stock Option such rights may be granted only at the time of the grant of such Reference Stock Option. Tandem Stock Appreciation Rights will be subject to such terms and conditions as determined by the Committee.

[Table of Contents](#)

Exercise Price

The exercise price per share of Stock subject to Tandem Stock Appreciation Rights will be determined by the Committee at the time of grant, provided that the per-share exercise price of such Tandem Stock Appreciation Right may not be less than 100% of the fair market value of the Stock at the time of grant.

Term

A Tandem Stock Appreciation Right or applicable portion thereof granted with respect to a Reference Stock Option will terminate and no longer be exercisable upon the termination or exercise of the Reference Stock Option; provided, however, that a Tandem Stock Appreciation Right granted with respect to fewer than all of the shares covered by the Reference Stock Option will not be reduced until, and will be reduced only to the extent that, the exercise or termination of the Reference Stock Option causes the number of shares covered by the Tandem Stock Appreciation Right to exceed the number of shares remaining available and unexercised under the Reference Stock Option.

Exercise of Tandem Stock Appreciation Rights; Method of Exercise; Payment

Tandem Stock Appreciation Rights will be exercisable only at such time or times that, and only to the extent that, the Reference Stock Options to which they relate are exercisable. A Tandem Stock Appreciation Right may be exercised by surrendering the applicable portion of the Reference Stock Option. Upon exercise, a participant will be entitled to receive an amount in cash and/or shares of Stock (as determined by the Committee) equal in value to the excess of the fair market value of one share of Stock over the Option exercise price per share specified in the Reference Stock Option agreement, multiplied by the number of shares in respect of which the Tandem Stock Appreciation Right is exercised. At such time, the Reference Stock Option or part thereof to which such Tandem Stock Appreciation Right is related will be deemed to have been exercised.

Non-Transferability of Tandem Stock Appreciation Rights

Tandem Stock Appreciation Rights will be transferable only when and to the extent that the underlying Reference Stock Option is transferable.

Detrimental Activity

Unless otherwise determined by the Committee at the time of grant, if a participant engages in detrimental activity (as defined in the Plan), prior to any exercise of a Tandem Stock Appreciation Right, all Tandem Stock Appreciation Rights held by the participant will terminate and expire, or if a participant engages in detrimental activity during the one year period commencing on the later of the date the Award is exercised or becomes vested, the Company may recover from such participant at any time within one year after such exercise or vesting, and the participant must pay, upon the Company’s request, any gain realized as a result of the exercise (whether at the time of exercise or thereafter).

[Table of Contents](#)

Non-Tandem Stock Appreciation Rights

Stock Appreciation Rights may also be granted without reference to any Options granted under the Plan (“**Non-Tandem Stock Appreciation Rights**”). Non-Tandem Stock Appreciation Rights will be subject to such terms and conditions as determined by the Committee.

Exercise Price

The exercise price per share of Stock subject to Non-Tandem Stock Appreciation Rights will be determined by the Committee at the time of grant, provided that the per-share exercise price of such Non-Tandem Stock Appreciation Right will not be less than 100% of the fair market value of the Stock at the time of grant.

Term

The term of each Non-Tandem Stock Appreciation Right will be fixed by the Committee, provided that no Non-Tandem Stock Appreciation Right will be exercisable more than ten (10) years after the date of grant.

Exercise of Non-Tandem Stock Appreciation Rights; Method of Exercise; Payment

Non-Tandem Stock Appreciation Rights will be exercisable at such time or times and subject to such terms and conditions as determined by the Committee at grant and set forth in an Award agreement. The Committee may provide that a Non-Tandem Stock Appreciation Right is exercisable subject to certain limitations, including, without limitation, that it is exercisable only in installments or within certain time periods. Subject to such limitations, Non-Tandem Stock Appreciation Rights may be exercised in whole or in part at any time in accordance with the applicable Award agreement by giving written notice of exercise to the Company specifying the number of Non-Tandem Stock Appreciation Rights to be exercised. For each right exercised, a participant will receive an amount in cash and/or shares of Stock (as determined by the Committee) equal in value to the excess of the fair market value of one share of Stock on the date the right is exercised over the fair market value of one share of Stock on the date the right was awarded to the participant.

Non-Transferability of Non-Tandem Stock Appreciation Rights

Non-Tandem Stock Appreciation Rights cannot be transferred other than by will or by the laws of descent and distribution and may not be exercised during the participant's lifetime by anyone other than the participant.

Detrimental Activity

Unless otherwise determined by the Committee at the time of grant, if a participant engages in detrimental activity (as defined in the Plan), prior to any exercise of a Non-Tandem Stock Appreciation Right, all Non-Tandem Stock Appreciation Rights held by the participant will terminate and expire, or if a participant engages in detrimental activity during the

[Table of Contents](#)

one year period commencing on the later of the date the Award is exercised or becomes vested, the Company may recover from such participant at any time within one year after such exercise or vesting, and the participant must pay, upon the Company's request, any gain realized as a result of the exercise (whether at the time of exercise or thereafter).

Limited Stock Appreciation Rights

The Committee may grant Tandem and Non-Tandem Stock Appreciation Rights either as a general Stock Appreciation Right or as a limited Stock Appreciation Right (a "**Limited Stock Appreciation Right**"). Limited Stock Appreciation Rights may be exercised only upon the occurrence of a change in control or such other event as the Committee may designate at the time of grant or thereafter. Upon the exercise of a Limited Stock Appreciation Right, except as otherwise provided in an Award agreement, the participant will receive an amount in cash and/or shares of Stock (as determined by the Committee) equal to the amount set forth above with respect to Tandem Stock Appreciation Rights or Non-Tandem Stock Appreciation Rights, as applicable.

Restricted Stock Awards

The Committee may award shares of Restricted Stock either alone or in addition to other Awards granted under the Plan. The Committee will determine to whom Restricted Stock Awards will be granted, the time or times at which such grants will be made, the number of shares of Stock to be awarded, the price (if any) to be paid to participants, the time or times within which such Awards may be subject to forfeiture, the vesting schedule and the rights to acceleration thereof, and all other terms and conditions of the Awards. The Committee may condition the grant or vesting of Restricted Stock upon the attainment of specified performance goals, as described below, or such other factors as the Committee may determine, including to comply with the requirements of Section 162(m) of the Code.

Purchase Price

The purchase price of Restricted Stock will be fixed by the Committee, which may be zero to the extent permitted by applicable law. To the extent not so permitted, such purchase price may not be less than par value.

Acceptance

Awards of Restricted Stock must be accepted within sixty (60) days (or such other period as the Committee may specify) after the grant date by executing a Restricted Stock agreement and by paying whatever price, if any, the Committee has designated thereunder.

Restriction Period

Unless otherwise provided in an Award agreement, a participant will not be permitted to transfer shares of Restricted Stock during the period or periods set by the Committee (the "**Restricted Period**") commencing on the date of such Award, as set forth in a Restricted Stock Award agreement, which will also set forth a vesting schedule and any events that would accelerate vesting of the shares of Restricted Stock. Within these limits, based on

[Table of Contents](#)

service, attainment of performance goals, as described below, or such other factors as the Committee may determine, the Committee may condition the grant or provide for the lapse of such restrictions in installments, in whole or in part, or may accelerate the vesting of all or any part of any Restricted Stock Award or waive the deferral limitations for all or any part of any Restricted Stock Award.

Rights as a Stockholder

Subject to limitations, a participant will have, with respect to the shares of Restricted Stock, all of the rights of a holder of shares of Stock of the Company including, without limitation, the right to receive any dividends, the right to vote such shares, and, subject to and conditioned upon the full vesting of shares of Restricted Stock, the right to tender such shares in the event of a merger, recapitalization, reorganization, or similar event involving the Company. The Committee may determine at the time of grant that the payment of dividends, if any, will be deferred until the expiration of the applicable Restricted Period, and, except as otherwise provided by the Committee in an Award agreement, the payment of dividends with respect to shares of Restricted Stock that are earned or vest based on the attainment of performance goals will be withheld, without interest, for the recipient's account, and will be subject to forfeiture to the same degree as the underlying shares of Restricted Stock.

Other Stock-Based Awards

The Committee may grant other Stock-based Awards that are payable in, valued in whole or in part by reference to, or otherwise based on or related to shares of Stock, including, but not limited to, shares of Stock awarded purely as a bonus and not subject to any restrictions or conditions, shares of Stock in payment of the amounts due under an incentive or performance plan sponsored or maintained by the Company or an affiliate, performance units, dividend equivalent units, stock equivalent units, restricted stock units, and deferred stock units. Other Stock-based Awards may be granted either alone or in addition to or in tandem with other Awards granted under the Plan.

The Committee may condition the grant or vesting of other Stock-based Awards upon the attainment of specified performance goals, as discussed below.

Non-Transferability of Other Stock-Based Awards

Shares of Stock subject to other Stock-based Awards may not be transferred prior to the date on which the shares are issued, or, if later, the date on which any applicable restriction, performance, or deferral period lapses.

Dividends

Unless otherwise determined by the Committee at the time of grant, the recipient of an other Stock-based Award will not be entitled to receive, currently or on a deferred basis, dividends or dividend equivalents with respect to the number of shares of Stock covered by the Award. To the extent the recipient of an other Stock-based Award is entitled to receive dividends or dividend equivalents, except as otherwise provided by the Committee in an Award agreement, the payment of dividends or dividend equivalents with respect to an Award that is earned or vests

[Table of Contents](#)

based on the attainment of performance goals will be withheld, without interest, for the recipient's account, and will be subject to forfeiture to the same degree as the underlying Award.

Vesting

Other Stock-based Awards and any Stock covered by such Awards will vest or be forfeited to the extent so provided in the Award agreement, as determined by the Committee.

Price; Payment

Stock issued on a bonus basis may be issued for no cash consideration, whereas Stock purchased pursuant to a purchase right awarded pursuant to an other Stock-based Award will be priced as determined by the Committee. Form of payment for an other Stock-based Award will be specified in the Award agreement.

Performance Goals

To the extent permitted under Section 162(m) of the Code, the Committee may determine that grant, vesting, payment, settlement, or exercise of Awards will be subject to attainment of one or more performance goals, including, but not limited to, any or a combination of, or a specified increase or decrease in, as applicable, the following: earnings per share; operating income; operating profit margin; net income; cash flow; gross profit; gross profit return on investment; gross margin return on investment; gross margin; working capital; earnings before interest and taxes; earnings before interest, tax, depreciation and amortization; return on equity; return on assets; return on capital; return on invested capital; net revenues; gross revenues; revenue growth; total stockholder return; economic value added; specified objectives with regard to limiting the level of increase in all or a portion of the Company's bank debt or other long-term or short-term public or private debt or other similar financial obligations of the Company, which may be calculated net of cash balances and other offsets and adjustments as may be established by the Committee in its sole discretion; the fair market value of the shares of the Company's Stock; the growth in the value of an investment in the Company's Stock assuming the reinvestment of dividends; total shareholder return; or reduction in expenses.

Performance goals may also be based upon individual participant performance goals, as determined by the Committee. In addition, such performance goals may be based upon the attainment of specified levels of Company performance under one or more of the measures described above relative to the performance of other corporations. To the extent permitted under Section 162(m) of the Code, the Committee may designate additional business criteria on which the performance goals may be based or adjust, modify, or amend the aforementioned business criteria.

Indemnification

Each officer and employee of the Company or any of its affiliates and each current and former member of the Committee or the Board will be indemnified and held harmless by the Company against any cost or expense or liability arising out of any act or omission to act in connection with the administration of the Plan (other than those arising out of

[Table of Contents](#)

fraud or bad faith), except for actions or determinations made by an individual with regard to Awards granted by him or her under the Plan.

Termination of Employment

Unless otherwise provided by the Committee, upon an involuntary termination of employment from the Company and its affiliates without "cause" (as defined in the Plan), all Options and Stock Appreciation Rights that are held by the terminated participant and that are vested and exercisable at the time of termination may be exercised at any time within ninety (90) days from the date of termination, but in no event beyond the expiration of the stated

term of such Options and Stock Appreciation Rights. All unvested Options and Stock Appreciation Rights will terminate and expire as of the date of any termination.

Unless otherwise provided by the Committee, upon any termination, during the relevant Restriction Period, all Restricted Stock still subject to restriction will be forfeited, and any unvested other Stock-based Awards will be forfeited; provided, however, that if a participant who is an eligible employee experiences a termination by reason of death or disability, the Committee may, in its discretion, within sixty (60) days of such termination, accelerate the vesting of all or a portion of such Restricted Stock or other Stock-based Awards as of the date of such termination, and no forfeiture shall be deemed to have occurred with respect thereto.

Adjustment for Change in Capitalization

In the event of a stock split, reverse stock split, stock dividend, extraordinary cash dividend, subdivision, combination, or reclassification of shares that may be issued under the Plan, recapitalization, merger, consolidation, spin-off, reorganization, or any partial or complete liquidation, or any other corporate transaction or event having an effect similar to any of the foregoing, the Committee will make changes or adjustments as it deems necessary and appropriate to any or all of the following: the aggregate number and kind of securities that may be issued under the Plan, the aggregate number and kind of securities or other property (including cash) that may be issued upon exercise or settlement of an outstanding Award, the purchase price thereof, and the individual participant limitations under the Plan, other than those based on cash limitations, applicable to Awards. The Committee may also provide for the cancellation of any outstanding Awards and payment in cash or other property in exchange therefor. In addition, in the event of any other change in the capital structure or the business of the Company, including, without limitation, by reason of any conversion, any adjustment, and any issuance of any class of securities convertible or exercisable into any other class of securities, or any sale or transfer of all or substantially all the Company's assets or business, the Committee may adjust any Award and make such other adjustments to the Plan.

In the event of the consummation of a merger or consolidation in which the Company is not the surviving entity, or any transaction that results in the acquisition of all or substantially all of the Company's outstanding Stock by a single person or entity or by a group of persons and entities acting in concert, or the sale or transfer of all or substantially all of the Company's assets (collectively, an "**Acquisition Event**"), the Committee may terminate all outstanding and unexercised Options or Stock Appreciation Rights or any other Stock-based Award that provides for a participant-elected exercise ("**Exercisable Awards**"), effective as of

[Table of Contents](#)

the date of the Acquisition Event, by delivering notice of termination subject to the terms and conditions of the Plan.

Change in Control

Except as otherwise provided by the Committee in an Award agreement or in a written employment agreement between the Company and a participant, in the event of a "change in control" (as defined in the Plan), the Committee may provide for (a) Awards to be assumed or substituted by the successor or survivor corporation (unless the participant's unvested Awards vest in full pursuant to a change in control (as described below)), (b) the purchase of any Awards by the Company or an affiliate (or the cancellation and extinguishment thereof pursuant to the terms of a merger or other purchase agreement entered into by the Company) for an amount of cash equal to the highest price per share of Stock paid in any transaction related to a change in control (the "**Change in Control Price**"), (c) the cancellation of any particular exercisable Award(s) without payment, if the Change in Control Price is less than the exercise price of such Award(s), or (d) accelerated vesting or lapse of restrictions of an Award at the time of grant or at any time thereafter.

With respect to any Award granted on or after July 23, 2014, no employment agreement or Award agreement may provide that the vesting, payment, purchase or distribution of an Award will be accelerated by reason of a change in control of the Company for any Plan participant unless the participant's employment is involuntarily terminated within the one-year period following such change in control. With respect to any Award granted prior to July 23, 2014, unless the Committee provided otherwise in an Award agreement or in a written employment agreement, such Awards will become fully vested immediately prior to the occurrence of a change in control of the Company, unless a majority of the Board suspends or terminates such rights by an affirmative vote prior to the occurrence of the change in control; provided, however, that such vote will not affect the provisions of any Award agreement, written employment agreement, or other similar written agreement between a participant and the Company or any of its affiliates.

For purposes of the Plan, a "change in control" means, in general:

- (i) the acquisition of 50% or more of the combined voting power of the Company's then-outstanding voting securities by an unrelated third party;
- (ii) a merger or consolidation of the Company with another corporation (with specified exceptions); or
- (iii) the approval by stockholders of the liquidation of the Company or an agreement for the sale or disposition of all or substantially all of the Company's assets to an unrelated third party (with specified exceptions).

In no event will stockholder approval of a transaction, which, if consummated, would constitute a change in control, constitute a change in control.

[Table of Contents](#)

Amendment or Termination of the Plan

The Committee may amend, in whole or in part, any or all of the provisions of the Plan, or suspend or terminate it entirely, retroactively or otherwise; provided, however, that unless otherwise required by law or specifically provided in the Plan, the rights of a participant with respect to Awards granted prior to such amendment, suspension, or termination may not be materially impaired without the consent of such participant; and provided further that

no amendment that requires stockholder approval under any applicable law or the regulations of any stock exchange will become effective unless and until stockholder approval is obtained.

Unfunded Status of the Plan

The Plan is an “unfunded” plan for incentive and deferred compensation. With respect to any payments as to which a participant has a fixed and vested interest but that are not yet made by the Company to a participant, nothing contained in the Plan will give any such participant any rights that are greater than those of a general unsecured creditor of the Company.

No Right to Employment or Service

Neither the Plan nor any action taken under the Plan will be construed as giving a participant or any individual any right to be retained in the employ or service of the Company or a subsidiary or affiliate of the Company.

Withholding Obligations

The Company may withhold from any Award granted under the Plan, or any payment due pursuant to an Award, amounts of withholding and other taxes due in connection with any transaction involving an Award and may take actions to enable participants and the Company to satisfy obligations for the payment of withholding taxes and other tax obligations relating to any Award. The Committee may permit participants to satisfy withholding requirements due in connection with the issuance of shares of Stock by electing to have the Company withhold or receive a portion of the shares or other property to be received.

Non-Transferability of Awards Under the Plan

Unless otherwise provided by law or permitted by the Committee, participants may not transfer Awards or other benefits payable under the Plan.

Clawback/Recoupment Policy

All Awards granted under the Plan are subject to any incentive compensation clawback or recoupment policies of the Company in effect or as may be amended or adopted from time to time.

U.S. TAX ASPECTS OF AWARDS UNDER THE PLAN

The tax summary set forth below is based on current United States income and employment tax rules that apply generally to citizens and residents of the United States for tax

[Table of Contents](#)

purposes. This tax summary is based on the assumption that a participant is either a citizen or tax resident of the United States on the date the Award is granted through the date the participant sells the underlying Stock acquired from the Award. Participants are strongly encouraged to consult with their own personal tax advisor for more detailed information on the specific rules that apply to their particular situation. The Plan is not qualified under Section 401(a) of the Code.

Tax Effects Upon Grant and, if Applicable, Exercise, Settlement, or Vesting of Awards

At the time participants are required to recognize ordinary compensation income resulting from an Award, as described in more detail below, such income will be subject to federal (including, except as described below, Social Security and Medicare) and applicable state and local income tax and applicable tax withholding requirements. If a participant’s year-to-date compensation on the date of exercise exceeds the Social Security wage base limit for such year (\$118,500 in 2016), the participant will not have to pay Social Security taxes on such amounts. The Company is required to report to the appropriate taxing authorities the ordinary income received by participants, together with the amount of taxes withheld to the Internal Revenue Service and the appropriate state and local taxing authorities.

Nonqualified Stock Options

Participants will not recognize taxable income at the time the participant is granted a Nonqualified Stock Option. Participants will recognize taxable income upon the exercise of a Nonqualified Stock Option, and a participant’s employer will generally be entitled to deduct such amount for federal income tax purposes if the amount represents an ordinary and necessary business expense. This taxable income is taxed as ordinary compensation income and is based upon the excess of the fair market value of the Stock at exercise over the exercise price.

Incentive Stock Options

Participants will not recognize taxable income upon the grant or exercise of Incentive Stock Options; however, if the Stock acquired upon the exercise of an Incentive Stock Option is sold or otherwise disposed of within two years after the date of grant of such Incentive Stock Option or within one year after such acquisition of the Stock upon exercise of the Option, participants will be subject to the special tax treatment described below upon such sale or disposition. Subject to certain exceptions for disability or death, if an Incentive Stock Option is exercised more than three months following a participant’s termination of employment, the tax effects to the participant and the employer in connection with such exercise will generally be taxed as the exercise of a Nonqualified Stock Option.

For purposes of determining whether a participant is subject to any alternative minimum tax liability, upon exercising an Incentive Stock Option a participant will generally be required to increase his or her alternative minimum taxable income, and compute the tax basis in the stock so acquired, in the same manner as if the participant had exercised Nonqualified Stock Option.

Restricted Stock Awards

Participants will generally be required to recognize ordinary income in connection with the receipt of Restricted Stock at the time such Restricted Stock is no longer subject to a substantial risk of forfeiture or restrictions on transfer for purposes of Section 83 of the Code (the “**Restrictions**”), equal to the fair market value of the Stock at such time, less any purchase price paid therefor. Thus, taxable income will generally be realized by a participant when the Restrictions lapse, which will generally occur on the date that the participant vests in the Restricted Stock. Alternatively, within thirty days of the date of grant, a participant may elect, pursuant to Section 83(b) of the Code, to recognize taxable income on the date of grant equal to the excess of the fair market value of such Stock at grant (determined without regard to the Restrictions) over any purchase price paid by the participant for the Restricted Stock (an “**83(b) Election**”). However, if the Stock subject to an 83(b) Election is subsequently forfeited while the Restricted Stock is substantially non-vested, such forfeiture will be treated as a sale or exchange upon which there is a realized loss equal to the excess of the amount paid (if any) for the forfeited shares over the amount realized (if any) upon such forfeiture. If such property is a capital asset in a participant’s hands, such loss will be a capital loss. Whenever a participant incurs taxable income, either upon making an 83(b) Election or upon the lapse of the Restrictions, the participant’s employer will generally be entitled to deduct such amount for federal income tax purposes if the amount represents an ordinary and necessary business expense.

Restricted Stock Units and Deferred Stock Units

Participants will generally not realize any taxable income upon the grant of a restricted stock unit or deferred stock unit. Participants will recognize taxable income upon the settlement of a restricted stock unit or deferred stock unit, and the employer will generally be entitled to deduct such amount for federal income tax purposes if the amount represents an ordinary and necessary business expense. This taxable income is taxed as ordinary compensation income and is based upon the fair market value of the Stock at the time of settlement. If all or part of a restricted stock unit or deferred stock unit vests, but the settlement of the restricted stock unit or deferred stock unit is deferred until a later date, the participant will be subject only to Social Security and Medicare payroll taxes as of the vesting date, and ordinary income taxation on the value of the Stock (and the related employer deduction) will be deferred until settlement of the Award. To the extent the vesting date and settlement date of a restricted stock unit Award or deferred stock unit Award fall in different taxable years, the taxation of either Award may be governed by Section 409A of the Code, discussed below. To the extent that dividend equivalent rights are distributed prior to the settlement of the restricted stock unit Award or deferred stock unit Award, the participant will be required to include such amounts as taxable ordinary income equal to the value of such dividend equivalent right on the date of distribution.

Stock Appreciation Rights

Participants will not recognize taxable income upon the grant of a Stock Appreciation Right. Participants will recognize taxable income upon the exercise of a Stock Appreciation Right, and the employer will generally be entitled to deduct such amount for

[Table of Contents](#)

federal income tax purposes if the amount represents an ordinary and necessary business expense. This taxable income is taxed as ordinary compensation income and is based upon the excess of the fair market value of the Stock at exercise over the exercise price.

Other Stock-Based Awards

The tax effects related to other Stock-based Awards under the Plan are dependent upon the structure of the particular Award. If a participant receives such an Award, he or she is advised to seek the advice his or her own tax advisor regarding the tax treatment of receiving any such Award.

Tax Effects Upon the Sale and/or Disposition of Stock Acquired in Connection with an Award Grant

Nonqualified Stock Options, Stock Appreciation Rights, Restricted Stock Units, Deferred Stock Units, and Restricted Stock Awards

With respect to Stock acquired by a participant in connection with the exercise of a Nonqualified Stock Option or a Stock Appreciation Right, the settlement of a restricted stock unit or deferred stock unit, or the issuance of a Restricted Stock Award, the participant may incur an additional tax liability on the subsequent disposal of such Stock if the Stock is sold at a gain, but the participant’s employer will not obtain any additional deduction. A participant will be responsible for paying any tax due and ensuring that any sale of Stock by the participant is reported to the tax authorities as required by applicable law. When a participant sells or otherwise disposes of Stock, an amount equal to the difference between the sale or other disposition price of such Stock and the cost basis of such Stock will be treated as a capital gain or loss. A participant’s cost basis in the Stock is equal to the sum of the amount previously taxed to the participant as compensation income in connection with the issuance, grant, exercise, settlement, or vesting of the applicable Award and, if applicable, any amount that the participant paid for such Stock (e.g., the exercise price of the Nonqualified Stock Option).

If the Stock that a participant sold at a gain has been held for less than one year, a short-term capital gain will be recognized, which gain is subject to taxation at ordinary income tax rates. If the Stock that a participant sold at a gain has been held for one year or longer, a long-term capital gain will be recognized, which gain is subject to taxation at long-term capital gain rates. If a participant sells the Stock at a loss because the cost basis of the Stock exceeds the disposition price of the Stock, the loss will be a capital loss, the use of which is limited on the participant’s individual federal income tax return. With respect to Restricted Stock Awards for which a participant has not made a timely 83(b) Election, the holding period to determine whether the participant has long- or short-term capital gain (or loss) generally begins when the Restrictions lapse. If, however, a participant has made a timely 83(b) Election with respect to such Stock, the holding period commences on the date of such election.

Incentive Stock Options

If the Stock acquired upon the exercise of an Incentive Stock Option is sold or otherwise disposed of within two years after the date of grant of such Incentive Stock Option or within one year after such acquisition of the Stock, as discussed above, (i) the participant will

[Table of Contents](#)

generally be required to recognize ordinary income in the year of disposition in an amount equal to the excess (if any) of the fair market value of such Stock at exercise (or, if less, the amount realized upon the sale or disposition of such Stock) over the exercise price paid for such Stock, and (ii) the participant's employer will generally be entitled to deduct such amount for federal income tax purposes if the amount represents an ordinary and necessary business expense. Any further gain (or loss) realized by the participant will be taxed as short-term or long-term capital gain (or loss), as the case may be, in a similar manner as described above with respect to Nonqualified Stock Options and will not result in any additional deduction by the participant's employer.

If the Stock acquired upon the exercise of an Incentive Stock Option is not sold or otherwise disposed of within the time periods described above, (i) upon any subsequent sale of such Stock, any amount realized in excess of the exercise price will be taxed to the participant as a long-term capital gain, and any loss sustained will be a long-term capital loss, and (ii) no deduction will be allowed to the participant's employer for federal income tax purposes.

State and Local Taxation

The tax treatment described above for federal tax purposes is not always identical to the tax treatment for state and local tax purposes. Participants should consult with their personal tax advisor to determine the appropriate state and local tax treatment applicable to their particular circumstances with respect to all compensation income, capital gains, and capital losses that may result.

Special Rules Applicable to Corporate Insiders

As a result of the rules under Section 16(b) of the Exchange Act, if a participant is an insider (as defined in the Exchange Act), depending upon whether an exemption from the provisions of Section 16(b) is utilized, the participant may not receive the same tax treatment as set forth above with respect to the grant and/or exercise of Awards. Generally, as an insider, a participant will not be subject to taxation until the expiration of any period during which the participant is subject to the liability provisions of Section 16(b) with respect to any particular Award. If a participant is an insider, he or she should check with his or her own tax advisor to ascertain the appropriate tax treatment for any particular Award.

Section 162(m)

In general, Section 162(m) of the Code denies a publicly held corporation a deduction for federal income tax purposes for compensation in excess of \$1 million per year per person to its chief executive officer and the three other officers whose compensation is disclosed in its proxy statement (other than the chief financial officer, subject to certain exceptions (including a "performance based compensation exception)). The Plan is designed so that Options and Stock Appreciation Rights qualify for this exemption, and it permits the Committee to grant other Awards designed to qualify for this exemption. The Committee is authorized to also grant Awards that are not qualified under Section 162(m) of the Code.

Section 409A of the Code

Certain Awards under the Plan may be subject to Section 409A of the Code ("**Section 409A**"), which regulates "nonqualified deferred compensation" (as defined in Section 409A). If an Award under the Plan that is subject to Section 409A does not comply with Section 409A, then all compensation under the Plan that is considered "nonqualified deferred compensation" (and awards under any other Company plan that are required pursuant to Section 409A to be aggregated with the Award under the Plan) will be taxable to a participant and includable in income in the year of the violation, or if later, the year in which the compensation subject to the Award is no longer subject to a substantial risk of forfeiture. In addition, a participant will be subject to an additional tax equal to 20% of the compensation that is required to be included in income as a result of the violation, plus interest from the date that the compensation subject to the Award was required to be included in taxable income. Although the Company cannot guarantee the particular tax treatment of an Award granted under the Plan, Awards made under the Plan are intended to comply with, or be exempt from, the applicable requirements of Section 409A and the Plan and any Award agreement hereunder shall be limited, construed and interpreted in accordance with such intent. In no event whatsoever shall the Company or any of its affiliates be liable for any additional tax, interest or penalties that may be imposed on a participant by Section 409A or any damages for failing to comply with Section 409A.

THE DISCUSSION ABOVE IS INTENDED ONLY AS A SUMMARY AND DOES NOT PURPORT TO BE A COMPLETE DISCUSSION OF ALL POTENTIAL TAX EFFECTS RELEVANT TO RECIPIENTS OF AWARDS UNDER THE PLAN. AMONG OTHER ITEMS THIS DISCUSSION DOES NOT ADDRESS ARE TAX CONSEQUENCES UNDER THE LAWS OF ANY STATE, LOCAL, OR FOREIGN JURISDICTION, OR ANY TAX TREATIES OR CONVENTIONS BETWEEN THE UNITED STATES AND FOREIGN JURISDICTIONS, FEDERAL ESTATE OR GIFT TAX CONSEQUENCES, OR TAX CONSEQUENCES UNDER SECTIONS 280G AND 4999 OF THE CODE. THIS DISCUSSION IS BASED UPON CURRENT LAW AND INTERPRETATIONAL AUTHORITIES THAT ARE SUBJECT TO CHANGE AT ANY TIME. THE COMPANY STRONGLY URGES PARTICIPANTS TO CONSULT WITH THEIR TAX ADVISOR CONCERNING THE TAX CONSEQUENCES OF RECEIVING AN AWARD UNDER THE PLAN WITH RESPECT TO THEIR PERSONAL TAX CIRCUMSTANCES.

RESTRICTIONS ON RESALE

Officers and directors of the Company or those otherwise deemed, under applicable rules and regulations of the Commission, to be an affiliate of the Company may reoffer or resell Stock acquired pursuant to the Plan only in connection with a separate registration statement which has been declared effective under the Securities Act or pursuant to an available exemption under the Securities Act, including the exemption provided by Rule 144 or any successor provisions thereunder ("**Rule 144**"), subject to certain limitations set forth in Rule 144 but without regard to the holding period provided for under Rule 144. Rule 405 under the Securities Act defines "affiliate" as "a person that directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with" the Company. Certain exceptions to Rule 144 may apply. The Company has no obligation to file or have

declared effective any registration statement in connection with the resale of any securities acquired pursuant to the Plan.

In addition, certain officers and directors of the Company are subject to the reporting and “short swing” profits liability provisions of Section 16 of the Exchange Act. While the grant of Awards under the Plan to officers and directors of the Company who are subject to Section 16(b) of the Exchange Act are intended to be exempt from the “short swing” profit recovery provisions of the Exchange Act, such provisions may restrict resale of Stock issued by the Company to any such person.

The foregoing is not intended to be a complete statement of applicable law and any person to whom the foregoing may apply should consult his or her own legal counsel to ascertain whether or not their position within the Company or percent of Stock holdings requires compliance with the resale restrictions described above.

PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 14. Other Expenses of Issuance and Distribution.

The following table sets forth the estimated expenses in connection with the issuance of the securities being registered. Other than the SEC registration fee, all of the amounts listed are estimates.

SEC Registration Fee	\$	1,375.81
Accounting Fees and Expenses		30,000
Legal Fees and Expenses		30,000
Transfer Agent and Registrar Fees and Expenses		10,000
Miscellaneous		10,000
Total	\$	81,375.81

Item 15. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law (“DGCL”) provides, among other things, that a corporation may indemnify any director or officer of the corporation who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director or officer of the corporation, or is or was serving at the corporation’s request as a director or officer of another entity, against expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The power to indemnify also applies to any threatened, pending or completed action or suit brought by or in the right of the corporation, but only to the extent of expenses (including attorneys’ fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation and except that no indemnification will be made in respect of any claim, issue or matter as to which such person has been adjudged to be liable to the corporation unless and only to the extent that the court in which such action or suit was brought determines upon application that, despite the adjudication of liability but in view of all of the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the court deems proper. To the extent that a present or former director or officer has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to above, or in defense of any claim, issue or matter therein, such person will be indemnified against expenses (including attorneys’ fees) actually and reasonably incurred by such person in connection therewith.

Section 102(b)(7) of the DGCL provides that a corporation may eliminate or limit the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provision will not eliminate or limit the liability of a director (i) for any breach of the director’s duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL, or (iv) for any transaction from which the director derived an improper personal benefit. No such provision will eliminate or limit the liability of a director for any act or omission occurring prior to the date when such provision becomes effective.

The Company’s Restated Certificate of Incorporation provides that it shall indemnify and hold harmless its officers and directors to the fullest extent authorized by the DGCL, as the DGCL exists or is amended to permit the Company to provide broader indemnification rights than the DGCL provided prior to such amendment, against all expense, liability and loss (including attorneys fees), reasonably incurred

or suffered by such person in connection therewith; provided, however, that the Company shall indemnify any such person seeking indemnification in connection with a proceeding initiated by such person only if such proceeding was authorized by the Board.

In addition, the Company’s Amended and Restated By-laws require the Company to indemnify its officers and directors to the extent permitted by the DGCL.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions or otherwise, the Company has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

Item 16. Exhibits.

See Exhibit Index attached hereto and incorporated by reference.

Item 17. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (i), (ii) and (iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

II-2

[Table of Contents](#)

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(b) The undersigned Registrant hereby further undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

**RESTRICTED UNIT AGREEMENT
PURSUANT TO THE
TAKE-TWO INTERACTIVE SOFTWARE, INC.
2009 INCENTIVE STOCK PLAN
(Amended and Restated Effective July 23, 2014)**

This Restricted Unit Agreement (this "**Agreement**"), dated as of May 20, 2016, is made by and between Take-Two Interactive Software, Inc. (the "**Company**") and ZelnickMedia Corporation (the "**Participant**").

WITNESSETH:

WHEREAS, the Company has adopted the Take-Two Interactive Software, Inc. 2009 Stock Incentive Plan (as amended and restated from time to time, the "**Plan**"), a copy of which has been delivered to the Participant, which is administered by a committee appointed by the Company's Board of Directors (the "**Committee**");

WHEREAS, pursuant to Section 9.1 of the Plan, the Committee may grant awards to Consultants that are payable in, valued in whole or in part by reference to, or otherwise based on or related to shares of the Company's common stock, par value \$0.01 per share ("**Common Stock**"); and

WHEREAS, pursuant to the Management Agreement between the Participant and the Company, effective as of April 1, 2014 (the "**Management Agreement**"), the Company may grant to the Participant additional equity awards, in amounts determined at the discretion of the Committee.

NOW, THEREFORE, for and in consideration of the mutual promises herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **Grant of Restricted Units.** Subject to the restrictions, terms and conditions of this Agreement, the Company hereby awards to the Participant 372,935 restricted units ("**Restricted Units**") each representing the right to receive, upon vesting, an amount equal the Fair Market Value (as defined in the Plan) of one (1) share of Common Stock (a "**Share**"), subject to adjustment, forfeiture and the other terms and conditions set forth below. The Restricted Units constitute an unfunded and unsecured promise of the Company to deliver (or cause to be delivered) to the Participant, subject to the terms of this Agreement, cash, Shares or a combination of cash and Shares, in the discretion of the Company, on the applicable vesting date for such Restricted Units as provided herein. Until such delivery, the Participant shall have only the rights of a general unsecured creditor, and no rights as a shareholder of the Company; provided, that if prior to the settlement of any Restricted Unit, (a) the Company pays a cash dividend (whether regular or extraordinary) or otherwise makes a cash distribution to a shareholder in respect of a Share, then the Company shall credit, in respect of each then-outstanding Restricted Unit held by the Participant, an amount equal to any such cash dividend or distribution to a book entry account on behalf of the Participant, provided that such cash dividend or distribution shall not be deemed to be reinvested in shares of Common Stock and

will be held uninvested and without interest and paid in cash at the same time as such Restricted Unit vests and is settled under Section 2 below (and the Participant shall forfeit any such right to such cash if such Restricted Unit is forfeited prior to vesting), and (b) the Company pays a non-cash dividend (whether regular or extraordinary) or otherwise makes a non-cash distribution in Shares or other property to a shareholder in respect of a Share, then the Company shall provide the Participant, in respect of each then-outstanding Restricted Unit held by the Participant, an amount equal to the Fair Market Value of such Shares or an amount equal to the fair market value of such other property as reasonably determined by the Company in good faith, as applicable, at the same time as such Restricted Unit vests and is settled under Section 2 below (and the Participant shall forfeit any such right to such amount if such Restricted Unit is forfeited prior to vesting).

2. **Vesting.** The Restricted Units shall become vested and settled in accordance with the terms set forth on Annex A attached hereto.

3. **Taxes.** The Participant shall be solely responsible for all applicable federal, state, local, and foreign taxes the Participant incurs from the grant, vesting or settlement of the Restricted Units.

4. **No Obligation to Continue Service.** This Agreement is not an agreement of consultancy. This Agreement does not guarantee that the Company or its affiliates will retain, or continue to retain, the Participant during the entire, or any portion of the, term of this Agreement, including but not limited to any period during which the Restricted Units are outstanding, nor does it modify in any respect the Company or its affiliate's right to terminate or modify the Participant's consultancy or compensation.

5. **Power of Attorney.** The Company, and its successors and assigns, is hereby appointed the attorney-in-fact, with full power of substitution, of the Participant for the purpose of carrying out the provisions of this Agreement and taking any action and executing any instruments which such attorney-in-fact may reasonably deem necessary or advisable to accomplish the purposes hereof, which appointment as attorney-in-fact is irrevocable and coupled with an interest. The Company, as attorney-in-fact for the Participant, may in the name and stead of the Participant, make and execute all conveyances, assignments, and transfers of the Restricted Units, Shares, and property provided for herein, and the Participant hereby ratifies and confirms all that the Company, as said attorney-in-fact, shall do by virtue hereof. Nevertheless, the Participant shall, if so requested by the Company, execute and deliver to the Company all such instruments as may, in the reasonable judgment of the Company, be advisable for the purpose.

6. **Uncertificated Shares.** Notwithstanding anything else herein, to the extent permitted under applicable law, the Company may issue Shares in the form of uncertificated shares. Such uncertificated Shares shall be credited to a book entry account maintained by the Company (or its designee) on behalf of the Participant. If thereafter certificates are issued with respect to the uncertificated Shares, such issuance and delivery of certificates shall be in accordance with the applicable terms of this Agreement.

7. **Provisions of Plan Control.** This Agreement is subject to all the terms, conditions, and provisions of the Plan, including, without limitation, the amendment provisions thereof, and to such rules, regulations, and interpretations relating to the Plan as may be adopted by the Committee and as may be in effect from time to time. The Plan is incorporated herein by reference. By signing and returning this Agreement, the Participant acknowledges having received and read a copy of the Plan and agrees to comply with it, this Agreement and all applicable laws and regulations. Capitalized terms in this Agreement that are not otherwise defined shall have the same meaning as set forth in the Plan. 10. **Governing Law.** All questions concerning the construction, validity, and interpretation of this Agreement will be governed by, and construed in accordance with, the domestic laws of the State of Delaware, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

11. **Consent to Jurisdiction.** In the event of any dispute, controversy, or claim between the Company or any affiliate and the Participant in any way concerning, arising out of

or relating to the Plan or this Agreement (a “**Dispute**”), including without limitation any Dispute concerning, arising out of, or relating to the interpretation, application, or enforcement of the Plan or this Agreement, the parties hereby (a) agree and consent to the personal jurisdiction of the courts of the State of New York located in New York County and/or the Federal Courts of the United States of America located in the Southern District of New York (collectively, the “**Agreed Venue**”) for resolution of any such Dispute, (b) agree that those courts in the Agreed Venue, and only those courts, shall have exclusive jurisdiction to determine any Dispute, including any appeal, and (c) agree that any cause of action arising out of this Agreement shall be deemed to have arisen from a transaction of business in the State of New York. The parties also hereby irrevocably (i) submit to the jurisdiction of any competent court in the Agreed Venue (and of the appropriate appellate courts therefrom), (ii) to the fullest extent permitted by law, waive any and all defenses the parties may have on the grounds of lack of jurisdiction of any such court and any other objection that such parties may now or hereafter have to the laying of the venue of any such suit, action, or proceeding in any such court (including without limitation any defense that any such suit, action, or proceeding brought in any such court has been brought in an inconvenient forum), and (iii) consent to service of process in any such suit, action, or proceeding anywhere in the world, whether within or without the jurisdiction of any such court, in any manner provided by applicable law. Without limiting the foregoing, each party agrees that service of process on such party pursuant to a Notice as provided in Section 9 hereof shall be deemed effective service of process on such party. Except as otherwise provided in the Plan, no modification or waiver of any of the provisions of this Agreement shall be effective unless in writing by the party against whom it is sought to be enforced.

14. **Miscellaneous.**

(a) This Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective heirs, legal representatives, successors, and assigns.

(b) This Agreement, the Plan, and the Management Agreement contain the entire understanding of the parties with respect to the subject matter hereof and supersedes any prior agreements between the Company and the Participant with respect to the subject matter hereof.

(c) The failure of any party hereto at any time to require performance by another party of any provision of this Agreement shall not affect the right of such party to require performance of that provision, and any waiver by any party of any breach of any provision of

4

this Agreement shall not be construed as a waiver of any continuing or succeeding breach of such provision, a waiver of the provision itself, or a waiver of any right under this Agreement.

(d) Although the Company makes no guarantee with respect to the tax treatment of the Restricted Units, the Company intends that the Restricted Units shall not constitute “nonqualified deferred compensation” subject to Section 409A of the Internal Revenue Code of 1986, as amended, and any successor provision or any Treasury Regulation promulgated thereunder (“**Section 409A**”) and this Agreement shall be interpreted, administered and construed consistent with such intent. If, and only to the extent that, (i) the Restricted Units constitute “deferred compensation” within the meaning of Section 409A and (ii) the Participant is deemed to be a “specified employee” (as such term is defined in Section 409A and as determined by the Company), the payment of Restricted Units on termination of the Management Agreement shall not be made until the first business day of the seventh month following such termination or, if earlier, the date of the Participant’s death.

Annex A

Vesting

A. **Time Based Vesting.**

Subject to Section C, 107,551 of the Restricted Units (the “**Time-Based Units**”) shall become vested on April 1, 2018 (the “**Vesting Date**”).

B. **Performance Based Vesting.**

Subject to Section C, certain of the Restricted Units shall be subject to performance-based vesting in accordance with Section (B)(i) (the “**TSR Performance-Based Units**”), Section (B)(ii) (the “**New IP Performance-Based Units**”), and Section (B)(iii) (the “**Major IP Performance-Based Units**,” and together with the TSR Performance-Based Units and the New IP Performance-Based Units, the “**Performance-Based Units**”).

(i) **TSR Performance-Based Units.** The target number of TSR Performance-Based Units that shall be eligible to vest pursuant to this Section B(i) shall be 99,519, and the maximum number of TSR Performance-Based Units that shall be eligible to vest pursuant to this Section B(i) shall be 199,038. Subject to Section C, on the Vesting Date, a number of TSR Performance-Based Units shall become vested equal to the product of (x) the target number of TSR Performance-Based Units eligible to vest pursuant to this Section B(i) *multiplied by* (y) the TSR Vesting Percentage on the trading day immediately preceding the Vesting Date, rounded down to the nearest whole TSR Performance-Based Unit.

(ii) **New IP Performance-Based Units.** The target number of New IP Performance-Based Units that shall be eligible to vest pursuant to this Section B(ii) shall be 16,587, and the maximum number of New IP Performance-Based Units that shall be eligible to vest pursuant to this Section B(ii) shall be 33,174. Subject to Section C, on the Vesting Date, a number of New IP Performance-Based Units shall become vested equal to the product of (x) the target number of New IP Performance-Based Units in such vesting tranche *multiplied by* (y) the New IP Vesting Percentage on the trading day immediately preceding the Vesting Date, rounded down to the nearest whole New IP Performance-Based Unit.

(iii) **Major IP Performance-Based Units.** The target number of Major IP Performance-Based Units that shall be eligible to vest pursuant to this Section B(iii) shall be 16,586, and the maximum number of Major IP Performance-Based Units that shall be eligible to vest pursuant to this Section B(iii) shall be 33,172. Subject to Section C, on the Vesting Date, a number of Major IP Performance-Based Units shall become vested equal to the

product of (x) the target number of Major IP Performance-Based Units in such vesting tranche multiplied by (y) the Major IP Vesting Percentage on the trading day immediately preceding the Vesting Date, rounded down to the nearest whole Major IP Performance-Based Unit.

C. Qualifying Termination; Change in Control.

(i) Termination. In the event of a Qualifying Termination prior to the earlier of (x) the Vesting Date or (y) a Change in Control (as defined in the Management Agreement):

A-1

(a) the effective date of such Qualifying Termination shall serve as the vesting date for all Time-Based Units hereunder, and all such Time-Based Units shall vest as of such date; (b) the effective date of such Qualifying Termination shall serve as the vesting date for all TSR Performance-Based Units hereunder and the given date for purposes of the Measurement Price, and the number of such TSR Performance-Based Units that shall vest as of such date shall be calculated in accordance with Section B(i) above based upon the Percentile Rank through the effective date of such Qualifying Termination; and (c) the effective date of such Qualifying Termination shall serve as the vesting date for all New IP Performance-Based Units and Major IP Performance-Based Units hereunder, and the target number of such New IP Performance-Based Units and Major IP Performance-Based Units (as set forth in Sections B(ii) and B(iii), as applicable) shall vest as of such date without regard to the application of the Applicable Vesting Percentage.

(ii) Change in Control. If a Change in Control occurs while the Management Agreement remains in effect, in any case prior to the earlier of (x) the Vesting Date or (y) a Qualifying Termination, all Time-Based Units and the target number of Performance-Based Units (as set forth in Sections B(i), B(ii) and B(iii), as applicable) shall remain eligible to vest and shall vest (without regard to the application of the Applicable Vesting Percentage, in the case of Performance-Based Units), in each case, as of the earlier of (a) a Qualifying Termination or (b) the Vesting Date. Each Restricted Unit that remains eligible to vest following a Change in Control pursuant to the foregoing sentence shall be referred to as a “**Vesting-Eligible Unit.**” Upon the occurrence of a Change in Control, each Vesting-Eligible Unit shall be converted into an amount in cash equal to the Market Value of the consideration payable in the Change in Control in respect of each such Vesting-Eligible Unit, and such consideration shall be paid to the Participant promptly following the satisfaction of the vesting conditions set forth in this Section C(ii) (*i.e.*, in full on the Vesting Date, or if earlier, upon a Qualifying Termination), and shall automatically be forfeited and shall revert back to the Company if such vesting conditions are not satisfied.

D. Forfeiture.

(i) Any Restricted Units that have not vested as of the termination of the Management Agreement for any reason other than a Qualifying Termination shall automatically be forfeited and shall revert back to the Company without compensation to the Participant.

(ii) Any Performance-Based Units that (x) have not vested as of the earlier of (a) the Vesting Date or (b) the effective date of a Qualifying Termination, or (y) do not become Vesting-Eligible Units upon the occurrence of a Change in Control (*i.e.*, any Performance-Based Units above the target numbers set forth in Sections B(i), B(ii) and B(iii), as applicable), shall automatically be forfeited and shall revert back to the Company without compensation to the Participant.

E. Settlement. Subject to the last sentence of Section C(ii), upon vesting pursuant to Sections A, B, and C, the Company shall deliver to the Participant an amount in cash having a value equal to the aggregate value of a number of Shares equal to the number of Restricted Units vesting on such date, based on the closing price of the Shares on such settlement date on the principal national securities exchange on which the Shares are traded on such date (or if the

A-2

Shares are not traded on such date, the immediately preceding trading day), provided that the Participant has satisfied any tax withholding obligations as described in this Agreement. Notwithstanding anything herein to the contrary, but subject to the last sentence of Section C(ii), each Restricted Unit (including any amount provided for pursuant to Section 1(a) of the Agreement) may, at the election of the Company, be settled in Shares issued pursuant to the Plan (subject to any required delay in issuance as required under the Plan). To the extent any Shares become deliverable to the Participant hereunder the Participant shall be deemed the beneficial owner of any Share issued upon settlement of a Restricted Unit at the close of business on any settlement date and shall be entitled to any dividend or distribution that has not already been made with respect to such Share if the record date for such dividend or distribution is after the close of business on such settlement date, and the Company shall promptly issue and deliver, unless the Company is using a book entry or similar method pursuant to Section 6 of the Agreement (in which case the Company shall upon request promptly issue and deliver upon the Participant’s request), to the Participant a new stock certificate registered in the name of the Participant for any Shares issued upon settlement of Restricted Units and deliver to the Participant such Shares, in each case free of all liens, claims and other encumbrances (other than those created by the Participant).

F. Definitions.

“**Add-On Content**” in respect of any IP means all interactive software entertainment products that are ancillary to such IP, either in the form of expansion packs or micro-content and which are not playable separately from such IP, but excluding any Sequel of such IP.

“**Applicable Vesting Percentage**” means (i) with respect to TSR Performance-Based Units, the TSR Vesting Percentage, (ii) with respect to New IP Performance-Based Units, the New IP Vesting Percentage, and (iii) with respect to Major IP Performance-Based Units, the Major IP Vesting Percentage.

“**Existing IP**” means any IP commercially released prior to April 1, 2014 and any products released on or after April 1, 2014 that are derived from or use the branding, environments or characters of such products (*e.g.*, Sequels and subsequent Individual Releases).

“**Individual Release**” means any IP released across any and all gaming platforms and all SKUs released of any IP, including, for the avoidance of doubt, any bundles, anniversary editions or “game of the year” editions of such IP but excluding (i) any Add-On Content in respect of such IP and (ii) any expansion packs that are playable separately from such IP, with each such expansion pack being deemed to be a separate Individual Release.

“**IP**” means any interactive entertainment product.

“Major IP” means Existing IP or New IP.

“Major IP Vesting Percentage” as of a given date is a function of the Company’s Sell-In Performance or Sales Performance, as applicable, for any Individual Release of Major IP calculated as of such date, determined by reference to the following tables. For the avoidance of doubt, the Major IP Vesting Percentage shall be determined based on the Company’s Sell-In Performance or Sales Performance, as applicable, with respect to one Individual Release of

A-3

Major IP. If multiple Individual Releases of Major IP occur during the relevant measurement period, the Major IP Vesting Percentage shall be determined based on the Individual Release of Major IP (whether Regular Price IP, Reduced Price IP or Other IP) that results in the highest Major IP Vesting Percentage. Without limiting the generality of the foregoing, in no event shall (i) the Company’s Sell-In Performance and/or Sales Performance with respect to multiple Individual Releases of Major IP or (ii) the Major IP Vesting Percentages attributable to multiple Individual Releases of Major IP, be aggregated for purposes of determining the Major IP Vesting Percentage. By way of example, if, during the relevant measurement period, the Company has an Individual Release of Major IP that is Regular Price IP that results in a Sell-In Performance of 4,000,000 units, as well as an Individual Release of Major IP that is Other IP that results in Sales Performance of \$150,000,000, the Major IP Vesting Percentage will be 100% (i.e., the highest Major IP Vesting Percentage attributable to an Individual Release of Major IP).

(x) For any Individual Release of Major IP that is Regular Price IP:

Major IP Sell-In Performance	Major IP Vesting Percentage
Less than 4,000,000 units	0%
4,000,000 units	50%
5,000,000 units	100%
6,000,000 units	200%

In the event that the Major IP Sell-In Performance is less than 4,000,000 units, the Major IP Vesting Percentage shall be zero percent (0%). In the event that the Major IP Sell-In Performance falls between any of the values listed in the table above, the Major IP Vesting Percentage shall be based on a straight line interpolation between such two values.

(y) For any Individual Release of Major IP that is Reduced Price IP:

Major IP Sell-In Performance	Major IP Vesting Percentage
Less than Reduced Price Major IP Minimum Number	0%
Reduced Price Major IP Minimum Number	50%
Reduced Price Major IP Target Number	100%
Reduced Price Major IP Maximum Number	200%

In the event that the Major IP Sell-In Performance is less than the Reduced Price Major IP Minimum Number, the Major IP Vesting Percentage shall be zero percent (0%). In the event that the Major IP Sell-In Performance falls between any of the values listed in the table above, the Major IP Vesting Percentage shall be based on a straight line interpolation between such two values.

(z) For any Individual Release of Major IP that is Other IP:

Major IP Sales Performance	Major IP Vesting Percentage
Less than \$120,000,000	0%
\$120,000,000	50%
\$150,000,000	100%
\$180,000,000	200%

A-4

In the event that the Major IP Sales Performance is less than \$120,000,000, the Major IP Vesting Percentage shall be zero percent (0%). In the event that the Major IP Sales Performance falls between any of the values listed in the table above, the Major IP Vesting Percentage shall be based on a straight line interpolation between such two values.

“New IP” means any IP commercially released on or after April 1, 2014 that is not Existing IP. Sequels and subsequent Individual Releases of New IP occurring after April 1, 2014 shall qualify as New IP for purposes of this Agreement.

“New IP Vesting Percentage” as of a given date is a function of the Company’s Sell-In Performance or Sales Performance, as applicable, for any Individual Release of New IP calculated as of such date, determined by reference to the following tables. For the avoidance of doubt, the New IP Vesting Percentage shall be determined based on the Company’s Sell-In Performance or Sales Performance, as applicable, with respect to one Individual Release of New IP. If multiple Individual Releases of New IP occur during the relevant measurement period, the New IP Vesting Percentage shall be determined based on the Individual Release of New IP (whether Regular Price IP, Reduced Price IP, or Other IP) that results in the highest New IP Vesting Percentage. Without limiting the generality of the foregoing, in no event shall (i) the Company’s Sell-In Performance and/or Sales Performance with respect to multiple Individual Releases of New IP or (ii) the New IP Vesting Percentages attributable to multiple Individual Releases of New IP, be aggregated for purposes of determining the New IP Vesting Percentage. By way of example, if, during the relevant measurement period, the Company has an Individual Release of New IP that is Regular Price IP that results in a Sell-In Performance of 2,000,000 units, as well as an Individual Release of New IP that is Other IP that results in Sales Performance of \$90,000,000, the New IP Vesting Percentage will be 100% (i.e., the highest New IP Vesting Percentage attributable to an Individual Release of New IP).

(x) For any Individual Release of New IP that is Regular Price IP:

New IP Sell-In Performance	New IP Vesting Percentage
Less than 2,000,000 units	0%
2,000,000 units	50%
3,000,000 units	100%
4,000,000 units	200%

In the event that the New IP Sell-In Performance is less than 2,000,000 units, the New IP Vesting Percentage shall be zero percent (0%). In the event that the New IP Sell-In Performance falls between any of the values listed in the table above, the New IP Vesting Percentage shall be based on a straight line interpolation between such two values.

(y) For any Individual Release of New IP that is Reduced Price IP:

A-5

New IP Sell-In Performance	New IP Vesting Percentage
Less than Reduced Price New IP Minimum Number	0%
Reduced Price New IP Minimum Number	50%
Reduced Price New IP Target Number	100%
Reduced Price New IP Maximum Number	200%

In the event that the New IP Sell-In Performance is less than the Reduced Price New IP Minimum Number, the New IP Vesting Percentage shall be zero percent (0%). In the event that the New IP Sell-In Performance falls between any of the values listed in the table above, the New IP Vesting Percentage shall be based on a straight line interpolation between such two values.

(z) For any Individual Release of New IP that is Other IP:

New IP Sales Performance	New IP Vesting Percentage
Less than \$60,000,000	0%
\$60,000,000	50%
\$90,000,000	100%
\$120,000,000	200%

In the event that the New IP Sales Performance is less than \$60,000,000, the New IP Vesting Percentage shall be zero percent (0%). In the event that the New IP Sales Performance falls between any of the values listed in the table above, the New IP Vesting Percentage shall be based on a straight line interpolation between such two values.

“Other IP” means any IP that is not Reduced Price IP or Regular Price IP, which has a primary business model of not charging for the basic release and is meant to create revenue based on follow-on transactions as the primary business model.

The “Peer Group” shall consist of the companies that comprise The NASDAQ Composite Index on April 1, 2016; provided, that (i) subject to clause (ii) below, if a member of the Peer Group ceases to be publicly traded for any reason following April 1, 2016 and prior to the applicable date on which the Measurement Price is calculated, that member of the Peer Group shall be deleted as a member of the Peer Group and shall not be counted for purposes of the TSR Vesting Percentage and related calculations and (ii) if a member of the Peer Group becomes bankrupt following April 1, 2016 and prior to the applicable date on which the Measurement Price is calculated, that member of the Peer Group shall remain a member of the Peer Group and shall be attributed a Total Shareholder Return of -100% for purposes the TSR Vesting Percentage and related calculations.

The “Percentile Rank” of the Company’s Total Shareholder Return is defined as the percentage of the Peer Group companies’ returns falling at or below the Company’s Total Shareholder Return. The formula for calculating the Percentile Rank is as follows:

$$\text{Percentile Rank} = (N - R + 1) \div N \times 100$$

Where:

N = total number of companies in the Peer Group

A-6

R = the numeric rank of the Company’s Total Shareholder Return relative to the Peer Group, where the highest Total Shareholder Return in the Peer Group is ranked number 1

The Percentile Rank shall be rounded to the nearest whole percentage, with (0.5) rounded up.

To illustrate, if the Company’s Total Shareholder Return is the 25th highest in a Peer Group comprised of 100 companies, its Percentile Rank would be 76. The calculation is $(100 - 25 + 1) \div 100 \times 100 = 76$.

The “Port” of an IP means a substantially similar version of such IP developed to operate on a platform other than the platform for which such IP had theretofore been developed to operate.

“**Qualifying Termination**” means a termination of the Management Agreement by the Company without Cause (as defined in the Management Agreement) or by ZelnickMedia or its assignee for Good Reason (as defined in the Management Agreement).(1)

“**Reduced Price IP**” means any IP that is not Regular Price IP or Other IP.

“**Reduced Price Major IP Target Number**” means, for any Individual Release of Reduced Price Major IP, a number of units equal to the product of (i) 5,000,000 and (ii) a fraction, the numerator of which is 29.99 and the denominator of which is the numeric value of the original wholesale price in the United States per unit.

“**Reduced Price Major IP Maximum Number**” means, for any Individual Release of Reduced Price Major IP, a number of units equal to the product of (i) 6,000,000 and (ii) a fraction, the numerator of which is 29.99 and the denominator of which is the numeric value of the original wholesale price in the United States per unit.

“**Reduced Price Major IP Minimum Number**” means, for any Individual Release of Reduced Price Major IP, a number of units equal to the product of (i) 4,000,000 and (ii) a fraction, the numerator of which is 29.99 and the denominator of which is the numeric value of the original wholesale price in the United States per unit.

“**Reduced Price New IP Maximum Number**” means, for any Individual Release of Reduced Price New IP, a number of units equal to the product of (i) 4,000,000 and (ii) a fraction, the numerator of which is 29.99 and the denominator of which is the numeric value of the original wholesale price in the United States per unit.

“**Reduced Price New IP Minimum Number**” means, for any Individual Release of Reduced Price New IP, a number of units equal to the product of (i) 2,000,000 and (ii) a fraction, the numerator of which is 29.99 and the denominator of which is the numeric value of the original wholesale price in the United States per unit.

(1) For future grants, non-renewal of the Management Agreement will be included as a Qualifying Termination event.

A-7

“**Reduced Price New IP Target Number**” means, for any Individual Release of Reduced Price New IP, a number of units equal to the product of (i) 3,000,000 and (ii) a fraction, the numerator of which is 29.99 and the denominator of which is the numeric value of the original wholesale price in the United States per unit.

“**Reference Price**” means the average of the closing prices of the Common Stock or the common stock of a Peer Group company, as applicable, for each of the 30 trading days ending on (and including) April 1, 2016.

“**Regular Price IP**” means any IP that is not Reduced Price IP or Other IP, with a SKU that had an original wholesale price in the United States per unit equal to or in excess of \$29.99.

“**Sales Performance**” as of a given date means, with respect to any Individual Release of Other IP, the revenue generated during the period beginning on April 1, 2016 and ending on the trading day immediately preceding the Vesting Date.

“**Sell-In Performance**” as of a given date means, with respect to any Individual Release of Regular Price IP or Reduced Price IP, as applicable, the number of units “sold-in” during the period beginning on April 1, 2016 and ending on the trading day immediately preceding the Vesting Date.

“**Sequel**” means with respect to any IP, any game software program, other than any Port or Add-On Content, in any medium that is derived from such IP within the same genre, utilizing the same game play, and based on the same themes and using the same brand name as such IP where the visual display(s), character(s), background(s), virtual environment(s), or other visual or video elements accessible to the end-user of the game software program are derived from comparable elements of such IP.

“**Total Shareholder Return**” as of a given date means the percentage change in the value of the Common Stock or the common stock of a Peer Group company, as applicable, from the Reference Price to the Measurement Price on such date.

“**TSR Vesting Percentage**” as of a given date is a function of the Company’s Percentile Rank among the Peer Group calculated as of such date, determined by reference to the following table:

Percentile Rank	TSR Vesting Percentage
Less than 40 th Percentile	0%
40 th Percentile	50%
50 th Percentile	100%
75 th Percentile	200%

In the event that the Percentile Rank is less than 40th Percentile, the TSR Vesting Percentage shall be zero percent (0%). In the event that the Percentile Rank falls between any of the values listed in the table above, the TSR Vesting Percentage shall be based on a straight line interpolation between such two values.
