GAAP net income increased to \$0.62 per diluted share

Net Bookings were \$288.3 million

Company repurchased 1.60 million shares of its common stock for \$153.5 million.

New York, NY — August 2, 2018 — Take-Two Interactive Software, Inc. (NASDAQ:TTWO) today reported results for its fiscal first quarter 2019, ended June 30, 2018. In addition, the Company provided its initial financial outlook for its fiscal second quarter ending September 30, 2018, and updated its financial outlook for its fiscal year ending March 31, 2019. For additional information, please see the first quarter fiscal 2019 results slide deck posted to the Company's investor relations website at http://ir.take2games.com.

Impact of Recently Adopted Accounting Standard

On April 1, 2018, the Company adopted FASB ASU 2014-09 (Topic 606), *Revenue from Contracts with Customers*. Topic 606 significantly changes how the Company recognizes and reports net revenue and net income; however, it does not materially impact Net Bookings (our operational metric). Financial data for periods prior to April 1, 2018 has not been restated. Additional information about the Company's adoption of Topic 606 will be included in Take-Two's Quarterly Report on Form 10-Q for the period ended June 30, 2018.

Fiscal First Quarter 2019 GAAP Financial Highlights

Net revenue was \$388.0 million, as compared to \$418.2 million in last year's fiscal first quarter. Recurrent consumer spending (virtual currency, add-on content and in-game purchases) accounted for 62% of total net revenue, as compared to 41% in last year's fiscal first quarter. The largest contributors to net revenue in fiscal first quarter 2019 were *Grand Theft Auto* ® *Online* and *Grand Theft Auto* V, NBA® 2K18, Dragon City and Monster Legends, and WWE® SuperCard and WWE 2K18.

Digitally-delivered net revenue grew to \$315.0 million, as compared to \$268.2 million in last year's fiscal first quarter, and accounted for 81% of total net revenue, as compared to 64% in last year's fiscal first quarter. The largest contributors to digitally-delivered net revenue in fiscal first quarter 2019 were *Grand Theft Auto Online* and *Grand Theft Auto V*, NBA 2K18, Monster Legends and Dragon City, and WWE SuperCard.

Net income increased to \$71.7 million, or \$0.62 per diluted share, as compared to \$60.3 million, or \$0.56 per diluted share, for the comparable period last year.

As of June 30, 2018, the Company had cash and short-term investments of \$1.102 billion.

The following data, together with a management reporting tax rate of 20%, are used internally by the Company's management and Board of Directors to adjust the Company's GAAP financial results in order to facilitate comparison of its operating performance between periods and to better understand its core business and future outlook:

			Three Mon	ths Ending June

Income before income taxes	77,447	(91,838)	24,598	91	194	6,861	(242)

In order to calculate net income per diluted share for management reporting purposes, the Company uses its fully diluted share count of 116.0 million.

Operational Metric — Net Bookings

Net Bookings is defined as the net amount of products and services sold digitally or sold-in physically during the period, and includes licensing fees, merchandise, in-game advertising, strategy guides and publisher incentives.

During fiscal first quarter 2019, total Net Bookings were \$288.3 million, as compared to \$348.3 million during last year's fiscal first quarter, which had benefitted from the release of the *Gunrunning* update for *Grand Theft Auto Online*. Net Bookings from recurrent consumer spending accounted for 63% of total Net Bookings, as compared to 59% in last year's fiscal first quarter. The largest contributors to Net Bookings in fiscal first quarter 2019 were *Grand Theft Auto Online* and *Grand Theft Auto V, NBA 2K18, Dragon City* and *Monster Legends*, and *WWE SuperCard* and *WWE 2K18*.

Catalog accounted for \$282.3 million of Net Bookings led by Grand Theft Auto, NBA 2K, and Dragon City and Monster Legends.

Digitally-delivered Net Bookings were \$252.8 million, as compared to \$280.9 million in last year's fiscal first quarter, and accounted for 88% of total Net Bookings, as compared to 81% in last year's fiscal first quarter. The largest contributors to digitally-delivered Net Bookings in fiscal first quarter 2019 were *Grand Theft Auto Online* and *Grand Theft Auto V*, NBA 2K18, Monster Legends and Dragon City, and WWE SuperCard and WWE 2K18.

Management Comments

"Fiscal 2019 is off to a solid start, with first quarter operating results that exceeded our expectations," said Strauss Zelnick, Chairman and CEO of Take-Two. "This performance was driven by better-than-expected recurrent consumer spending on *Grand Theft Auto Online* and *NBA* 2K18, as well as robust ongoing

demand for *Grand Theft Auto V*, which is now approaching 100 million units sold-in to date. Accordingly, we are increasing our operating outlook for fiscal year 2019.

"We are incredibly excited about the October 26th launch of Rockstar Games' *Red Dead Redemption 2*, as well as the upcoming releases of *NBA 2K19* — which marks the 20th anniversary of the series and the 30th anniversary of the Visual Concepts development team — and *WWE 2K19*. Fiscal 2019 is poised to be another year of profitable growth for Take-Two, and we expect to deliver record operating results. Looking ahead, we have a strong development pipeline across our labels and are exceedingly well positioned for long-term growth and margin expansion."
