**PROXY STATEMENT**

**ANNUAL MEETING OF STOCKHOLDERS  
TO BE HELD ON THURSDAY, JUNE 17, 2004**

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of Take-Two Interactive Software, Inc. (the "Company") for use at the Annual Meeting of Stockholders (the "Annual Meeting") to be held on Thursday, June 17, 2004, including any adjournment or adjournments thereof, for the purposes set forth in the accompanying Notice of Meeting.

Management intends to mail this proxy statement and the accompanying form of proxy to stockholders on or about May 18, 2004.

Proxies in the accompanying form, duly executed and returned to the management of the Company and not revoked, will be voted at the Annual Meeting. A proxy given pursuant to such solicitation may be revoked by the stockholder at any time prior to the voting of the proxy by a subsequently dated proxy, by written notification to the Secretary of the Company, or by personally withdrawing the proxy at the Annual Meeting and voting in person.

The address and telephone number of the principal executive offices of the Company are: 622 Broadway, New York, New York 10012, Telephone No.: (646) 536-2842.

The following questions and answers provide important information about the Annual Meeting and this proxy statement:

Q. What am I voting on?

A. - Election of directors: Richard W. Roedel, Paul Eibeler, Oliver R. Grace, Jr., Robert Flug, Todd Emmel, Mark Lewis and Steven Tisch.

- A proposal to amend the Company's 2002 Stock Option Plan to provide for an additional 2,000,000 shares of common stock to be reserved for issuance under the plan.

- A proposal to amend the Company's Incentive Stock Plan to provide for an additional 500,000 shares of common stock to be reserved for issuance under the plan.

Q. Who is entitled to vote?

A. Stockholders as of the close of business on May 12, 2004 are entitled to vote at the Annual Meeting. Each stockholder is entitled to one vote for each share of common stock held.

Q. How do I vote?

A. You may sign and date each paper proxy card you receive and return it in the prepaid envelope. If you return your signed proxy but do not indicate your voting preferences, we will vote on your behalf (1) FOR the election of the directors; (2) FOR the adoption of the amendment to the Company's 2002 Stock Option Plan; and (3) FOR the adoption of the amendment to the Company's Incentive Stock Plan. You have the right to revoke your

---

proxy any time before the meeting by (1) notifying the Company's Secretary, or (2) returning a later-dated proxy. You may also revoke your proxy by voting in person at the Annual Meeting.

You may also vote by telephone or via the Internet. See Voting by Telephone or via the Internet below for further details. Please note that there are separate telephone and Internet voting arrangements depending upon whether shares are registered in your name or in the name of a bank or broker.

Q. How do I sign the paper proxy card?

A. Sign your name exactly as it appears on the proxy card. If you are signing in a representative capacity (for example, as an attorney, executor, administrator, guardian, trustee, or the officer or agent of a company), you should indicate your name and title or capacity. If the stock is held in custody for a minor (for example, under the Uniform Transfers to Minors Act), the custodian should sign the proxy card, not the minor. If the stock is held in joint ownership, both owners must sign.

Q. What does it mean if I receive more than one proxy card?

A. It may mean that you hold shares registered in more than one account. Sign and return all proxy cards to ensure that all your shares are voted. You may call American Stock Transfer & Trust Company at 1-800-937-5449 if you have any questions regarding the share information or your address appearing on the paper proxy card.

Q. Who will count the votes?

A. A representative of American Stock Transfer & Trust Company will tabulate the votes and act as independent inspector of election.

Q. What constitutes a quorum?

A. A majority of the outstanding shares present or represented by proxy constitutes a quorum for the Annual Meeting. As of May 12, 2004, 44,882,370 shares of the Company's common stock were issued and outstanding.

Q. How many votes are needed for the election of directors and the amendments to the 2002 Stock Option Plan and the Incentive Stock Plan?

A. Directors will be elected by a plurality of the votes cast at the Annual Meeting, meaning the nominees receiving the highest number of votes will be elected directors. Only votes cast for a nominee will be counted, except that a properly executed proxy that does not specify a vote with respect to the nominees will be voted for the Company's nominees listed on the proxy card. Abstentions and broker non-votes (as described below) will have no effect on the election of directors.

The proposals to amend the 2002 Stock Option Plan and the Incentive Stock Plan will be approved if the votes cast for each proposal exceed those cast against the proposal. Broker non-votes will not be counted as votes cast either for or against the proposals.

Q. What is a "broker non-vote"?

A. A "broker non-vote" occurs when a broker submits a proxy that does not indicate a vote for some of the proposals because the broker has not received instructions from the beneficial owners of how to vote on such proposals and does not have discretionary authority to vote in the absence of instructions.

-2-

---

Q. How may I communicate with the Board of Directors?

A. Stockholders wishing to send communications to the Board of Directors individually or as a group may do so by writing to: The Board of Directors of Take-Two Interactive Software, Inc. c/o Director of Corporate Communications, 622 Broadway, New York, New York 10012. You should identify your communication as being from a Take-Two stockholder. The Director of Corporate Communications may require reasonable evidence that your communication or other submission is made by a Take-Two stockholder before transmitting your communication to the Board of Directors.

## **OUTSTANDING STOCK AND VOTING RIGHTS**

Only stockholders of record at the close of business on May 12, 2004 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. As of the Record Date, there were issued and outstanding 44,882,370 shares of the Company's Common Stock, \$.01 par value per share (the "Common Stock"). Each share of Common Stock entitles the holder to one vote on each matter submitted to a vote at the Annual Meeting.

## **VOTING PROCEDURES AND PROXY INFORMATION**

The directors will be elected by the affirmative vote of a plurality of the shares of Common Stock present in person or represented by proxy at the Annual Meeting, provided a quorum exists. A quorum is established if, as of the Record Date, at least a majority of the outstanding shares of Common Stock are present in person or represented by proxy at the Annual Meeting. The amendments to the Company's 2002 Stock Option Plan and Incentive Stock Plan require the affirmative vote of a majority of the votes cast by the holders of shares of Common Stock entitled to vote on the matter at the Annual Meeting, provided a quorum exists. All other matters at the meeting will be decided by the affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy at the meeting and entitled to vote on the subject matter, provided a quorum exists. Votes will be counted and certified by one or more Inspectors of Election who are expected to be employees of American Stock Transfer & Trust Company, the Company's transfer agent.

In accordance with Delaware law, abstentions and "broker non-votes" (i.e., proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares as to a matter with respect to which the brokers or nominees do not have discretionary power to vote) will be treated as present for purposes of determining the presence of a quorum. For purposes of determining approval of a matter presented at the meeting, abstentions will be deemed present and entitled to vote and will, therefore, have the same legal effect as a vote "against" a matter presented at the meeting. Broker non-votes will be deemed not entitled to vote on the subject matter as to which the non-vote is indicated. Abstentions and broker non-votes will have no effect on the election of directors. Broker non-votes will have no effect on the proposals to amend the 2002 Stock Option Plan or the Incentive Stock Plan.

The enclosed proxies will be voted in accordance with the instructions thereon. Unless otherwise stated, all shares represented by such proxy will be voted as instructed. Proxies may be revoked as noted above.

The entire cost of soliciting proxies, including the costs of preparing, assembling, printing and mailing this Proxy Statement, the proxy and any additional soliciting material furnished to stockholders, will be borne by the Company. The Company has retained Innisfree M&A Incorporated, a proxy solicitation firm, to solicit proxies for a fee not to exceed \$15,000 and reimbursement of its out-of-pocket expenses. Arrangements will be made with brokerage houses and other

custodians, nominees and fiduciaries to send proxies and proxy materials to the beneficial owners of stock, and these entities may be reimbursed by the Company for their expenses. Proxies also may be solicited by directors, officers or employees of the Company in person or by telephone, telegram or other means. No additional compensation will be paid to such individuals for these services.

### VOTING BY TELEPHONE OR VIA THE INTERNET

*For Shares Registered in the Name of a Brokerage Firm or Bank.* A number of brokerage firms and banks are participating in a program provided through ADP Investor Communication Services that offers telephone and Internet voting options. This program is different than the program provided by American Stock Transfer & Trust Company for shares registered in the name of the stockholder. If your shares are held in an account at a brokerage firm or bank participating in the ADP program, you may vote those shares telephonically by calling the telephone number referenced on your voting form. If your shares are held in an account at a brokerage firm or bank participating in the ADP program, you are offered the opportunity to elect to vote via the Internet. Votes submitted via the Internet through the ADP program must be received by 11:59 p.m. (EDT) on June 16, 2004. The giving of such proxy will not affect your right to vote in person should you decide to attend the Annual Meeting.

*For Shares Directly Registered in the Name of the Stockholder.* Stockholders with shares registered directly with American Stock Transfer & Trust Company may vote telephonically by calling American Stock Transfer & Trust Company at 1-800-776-9437, or you may vote via the Internet at [www.voteproxy.com](http://www.voteproxy.com).

The telephone and Internet voting procedures are designed to authenticate stockholders' identities, to allow stockholders to give their voting instructions and to confirm that stockholders' instructions have been recorded properly. Stockholders voting via the Internet through either American Stock Transfer & Trust Company or ADP Investor Communication Services should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, that must be borne by the stockholder.

The Nominating/Corporate Governance Committee will consider nominees recommended by stockholders, provided that the recommendation contains sufficient information for the Committee to assess the suitability of the candidate. Candidates recommended by stockholders that comply with these procedures will receive the same consideration that candidates recommended by the committee receive.

When selecting directors, the Board will review and consider many factors, including experience, diversity, age, skills and independence. It will also consider ethical standards and integrity. It considers recommendations primarily from members of the Board and management. The Committee conducts interviews with candidates who meet the Board's criteria, and has full discretion in considering its nominations to the Board.

A stockholder wishing to nominate a candidate for election to the Board at the next Annual Meeting in 2005 is required to give written notice addressed to the Director of Corporate Communications of Take-Two Interactive Software, Inc., 622 Broadway, New York, New York 10012 of an intention to make such a nomination by no later than January 12, 2005.

The notice of nomination is required to contain information about both the nominee and the stockholder making the nomination, including information regarding the recommended candidate relevant to a determination of whether the recommended candidate would be barred from being considered independent under applicable NASDAQ rules, or, alternatively, a statement that the recommended candidate would not be so barred. A nomination that does not comply with the above requirements will not be considered.

*Audit Committee.* The Company has established an Audit Committee of the Board of Directors, currently comprised of Messrs. Grace, Flug and Emmel, each of whom is an “independent” director as defined under the rules of the National Association of Securities Dealers, Inc. Mr. Emmel, who currently acts as the Chairman of the Committee, is financially sophisticated under applicable NASDAQ rules. The Company currently does not have a director who qualifies as a “financial expert” under federal securities laws as a result of Mr. Roedel’s appointment as Interim Chief Executive Officer in April 2004. The Company is actively engaged in recruiting a “financial expert” to act as Chairman of the Audit Committee. The Audit Committee held ten meetings during the fiscal year ended October 31, 2003. See “Audit Committee Report.”

The Board of Directors has adopted a written charter for the Audit Committee. The Audit Committee has implemented an internal audit function.

The Audit Committee is responsible for, among other things, reviewing the Company’s quarterly and annual financial statements prior to filing with the Securities and Exchange Commission; hiring and reviewing the performance of the Company’s independent auditors; consulting with the Company’s independent auditors regarding the adequacy of the Company’s internal controls and the accuracy of the Company’s financial statements; and assessing the independence of the Company’s auditors.

In connection with the audit of the Company’s financial statements for the fiscal year ended October 31, 2003, the Audit Committee has reviewed and discussed the contents of the Company’s audited financial statements with management and the Company’s independent auditors. (1) All of the options have a term of five years and vest at various times over the term of the options.

(2) The potential realizable value columns of the table illustrate values that might be realized upon exercise of the options immediately prior to their expiration, assuming the common stock appreciates at the compounded rates specified over the term of the options. These numbers do not take into account provisions of certain options providing for termination of the option following termination of employment or non-transferability of the options and do not make any provision for taxes associated with exercise. Because actual gains will depend upon, among other things, future performance of the common stock, there can be no assurance that the amounts reflected in this table will be achieved.

### Compensation Committee Interlocks And Insider Participation

The Company has a Compensation Committee of the Board of Directors comprised of non-employee directors and currently consisting of Messrs. Grace, Flug and Emmel. Decisions relating to executive compensation are made by the Board of Directors, based primarily upon the recommendation of such committee. The Board of Directors (which includes such individuals) has not modified or rejected any recommendations of the Compensation Committee as to the compensation of the Company's executive officers. During the fiscal year ended October 31, 2003, none of the executive officers of the Company has served on the board of directors or the compensation committee of any other entity, any of whose officers serves on the Company's Board of Directors or Compensation Committee.

### Report On Executive Compensation

As noted above, executive compensation is determined by the Board of Directors based on recommendations made by the Compensation Committee. There is no formal compensation policy for the Company's executive officers, other than the employment agreements described above. Compensation for executive officers consists of base salary, bonus and stock-based compensation awards.

*Base Salary.* The base salary of the Company's executives is fixed pursuant to the terms of their respective employment agreements with the Company. The Compensation Committee reviews the salary of executive officers for reasonableness based on job responsibilities and a limited review of compensation practices for comparable positions at corporations that compete with the Company in its business or are of comparable size and scope of operations. The Committee's recommendations to the Board of Directors are based primarily on informal judgments reasonably believed to be in the best interests of the Company. In determining the base salaries of the Company's

-12-

---

executives, the Committee considered the Company's significant and rapid growth. Salaries are re-evaluated by the Committee each year to determine whether such salaries are reasonable in light of each executive's expected duties.

*Bonuses.* Bonuses for the Company's executive officers are not determined through the use of specific criteria. Rather, the Committee determines bonuses based on the Company's overall performance, profitability, working capital management and other qualitative and quantitative measurements. In determining the amount of bonuses awarded, the Committee considers the Company's revenues and profitability for the applicable period and each executive's contribution to the success of the Company. The Company's executive officers received bonuses that were deemed appropriate based upon the Company's operating results during the fiscal year.

*Stock-based Compensation Awards.* Stock option and "restricted stock" awards are intended to attract, retain and motivate personnel by affording them an opportunity to receive additional compensation based upon the performance of the Company's Common Stock. Such awards are granted by the Compensation Committee on an informal, subjective basis, after taking into account the relative responsibilities and contributions of the individual executives. The number or value of options or "restricted stock" currently held by an executive is not taken into account in determining the number of stock options or restricted stock granted.

Compensation for the Company's Chief Executive Officer is generally determined as discussed above. Mr. Lapin became Chief Executive Officer of the Company in January 2003 and served until April 2004 pursuant to an Employment Agreement that specified Mr. Lapin's base salary and other compensation. In determining Mr. Lapin's compensation, the Committee considered the compensation of Chief Executives of comparable companies, Mr. Lapin's industry experience in general and his skills as an executive in particular, and his prior responsibilities and performance, as well as the Company's expected size and performance, including its forecasted revenue growth and the global scope of the Company's operations. Mr. Lapin's salary, bonus and stock option awards for the year ended October 31, 2003 were based on the Company's overall performance, with no component of such compensation based on any particular measure of performance.

The comparison assumes \$100 was invested on November 1, 1998 in the Company's Common Stock and in each of the foregoing indices and assumes reinvestment of all cash dividends, if any, paid on such securities. The Company has not paid any cash dividends and, therefore, the cumulative total return calculation for the Company is based solely upon stock price appreciation and not upon reinvestment of cash dividends. Historical stock price is not necessarily indicative of future stock price performance.

### PROPOSAL I

#### AMENDMENT TO THE COMPANY'S 2002 STOCK OPTION PLAN

The Board of Directors unanimously proposes that the stockholders approve an amendment to the Company's 2002 Stock Option Plan, increasing by 2,000,000 the number of shares of Common Stock reserved for issuance under such plan. Under the Option Plan currently in effect, which was adopted by Stockholders in June 2002, 4,000,000 shares of Common Stock have been reserved for issuance in connection with the grant of options. As of the Record Date, 76,962 shares remained available for issuance under the 2002 Stock Option Plan. The Board of Directors believes that the proposed increase in the number of shares available for issuance under the 2002 Stock Option Plan is necessary in order to continue the effectiveness of the 2002 Stock Option Plan in attracting, motivating and retaining outside directors, officers and key employees with appropriate experience and ability to increase the grantees' alignment of interest with the Company's Stockholders.

The following summary of the 2002 Stock Option Plan does not purport to be complete and is qualified in its entirety by reference to the full text of the 2002 Stock Option Plan, a copy of which is attached hereto as Exhibit B.

#### Summary of the 2002 Stock Option Plan

Pursuant to the 2002 Stock Option Plan, officers, directors, employees and consultants of the Company will be eligible to receive incentive stock options and non-qualified stock options to purchase up to an aggregate of 4,000,000 shares of Common Stock. The number of shares of Common Stock that may be granted and the timing of grants to executive officers and non-executive officers of the Company under the 2002 Stock Option Plan is subject to the discretion of the Board of Directors or a Committee of the Board that administers the plan. The Plan is currently administered by the Compensation Committee of the Board of Directors. On May 12, 2004, the closing price of the Company's Common Stock as reported by NASDAQ was \$29.04.

The 2002 Stock Option Plan provides that it will be administered by the Board or a Committee appointed by the Board. The Board or Committee will determine, among other things, the persons to whom options will be granted, the types of options granted, the number of shares subject to options and the exercise price, provided that the exercise price of all incentive and non-qualified stock options granted must be at least equal to 100% of the fair market value of the Common Stock on the date of grant (110% in the case of incentive options granted to stockholders who own more than 10% of the outstanding Common Stock) or earlier as determined by the Board or Committee or as otherwise set forth in the plan. The Board or Committee also determines the term of each option, the restrictions or limitations thereof and the manner in which each option may be exercised. Options granted under the plan will expire not later than the tenth anniversary of the date of grant (the fifth anniversary in the case of incentive options granted to stockholders who own more than 10% of the outstanding Common Stock). With certain limited exceptions, in the event that an option holder ceases to be employed by the Company, such option holder's options terminate. Pursuant to the provisions of the 2002 Stock Option Plan, the aggregate fair market value, determined as of the date(s) of grant, for which incentive stock options are first exercisable by an option holder during any calendar year cannot exceed \$100,000.

In June 2002, the Plan was amended to prohibit the "re-pricing" of an option at an exercise price below the original exercise price of the option.

As of the Record Date, options to purchase 3,923,038 shares of Common Stock were outstanding under the 2002 Stock Option Plan, and options to purchase an additional 76,962 shares were available for future grant.

-17-

The following table provides certain information with respect to all of the Company's equity compensation plans in effect as of October 31, 2003.

Plan Category	(a)	(b)	(c)
	Number of securities to be issued upon exercise of outstanding options, warrants and rights	Weighted-average exercise price of outstanding options, warrants and rights	Number of securities remaining for future issuance under equity compensation plans (excluding securities reflected in column (a))
Equity compensation plans approved by security holders	3,066,056	\$ 22.39	432,796
Equity compensation plans not approved by security holders	1,787,712(1)	\$ 16.78	215,000
<b>Total</b>	<b>4,853,768</b>	<b>\$ 20.32</b>	<b>647,796</b>

(1) Includes 1,502,712 shares of common stock underlying individual option grants and 285,000 shares of restricted stock under the Incentive Stock Plan. The options are five years in duration, expire at various dates between December 2003 and November 2007, contain anti-dilution provisions providing for adjustments of the exercise price under certain circumstances and have termination provisions similar to options granted under our stockholder approved plans.

#### Certain Federal Income Tax Consequences of the 2002 Stock Option Plan

The following is a brief summary of the Federal income tax aspects of grants made under the 2002 Stock Option Plan based upon statutes, regulations and interpretations in effect on the date hereof. This summary is not intended to be exhaustive, and does not describe state or local tax consequences.

1. *Incentive Stock Options.* The participant will recognize no taxable income upon the grant or exercise of an Incentive Stock Option. Upon a disposition of the shares after the later of two years from the date of grant and one year after the transfer of the shares to the participant, (i) the participant will recognize the difference, if any, between the amount realized and the exercise price as long-term capital gain or long-term capital loss (as the case may be) if the shares are capital assets in his or her hands; and (ii) the Company will not qualify for any deduction in connection with the grant or exercise of the options. The excess, if any, of the fair market value of the shares on the date of exercise of an Incentive Stock Option over the exercise price will be treated as an item of adjustment for his or her taxable year in which the exercise occurs and may result in an alternative minimum tax liability for the participant. In the case of a disposition of shares in the same taxable year as the exercise where the amount realized on the disposition is less than the fair market value of the shares on the date of exercise, there will be no adjustment since the amount treated as an item of adjustment, for alternative minimum tax purposes, is limited to the excess of the amount realized on such disposition over the exercise price which is the same amount included in regular taxable income.

If Common Stock acquired upon the exercise of an Incentive Stock Option is disposed of prior to the expiration of the holding periods described above, (i) the participant will recognize ordinary compensation income in the taxable year of disposition in an amount equal to the excess, if any, of the lesser of the fair market value of the shares on the date of exercise or the amount realized on the disposition of the shares, over the exercise price paid for such shares; and (ii) the Company will qualify for a deduction equal to any such amount recognized, subject to the requirements of Section 162(m) of the Code and that the compensation be reasonable. The participant will recognize the excess, if any, of the amount realized over the fair market value of the shares on the date of exercise, if the shares are capital assets in his or her hands, as short-term or long-term capital gain, depending on the length of time that the participant held the shares, and the Company will not qualify for a deduction with respect to such excess.

-18-

Subject to certain exceptions for disability or death, if an Incentive Stock Option is exercised more than three months following the termination of the participant's employment, the option will generally be taxed as a Non-Qualified Stock Option.

2. *Non-Qualified and Stock Options.* With respect to Non-Qualified Stock Options (i) upon grant of the option, the participant will recognize no income; (ii) upon exercise of the option (if the shares are not subject to a substantial risk of forfeiture), the participant will recognize ordinary compensation income in an amount equal to the excess, if any, of the fair market value of the shares on the date of exercise over the exercise price, and the Company will qualify for a deduction in the same amount, subject to the requirements of Section 162(m) of the Code and that the compensation be reasonable; (iii) the Company will be required to comply with applicable Federal income tax withholding requirements with respect to the amount of ordinary compensation income recognized by the participant; and (iv) on a sale of the shares, the participant will recognize gain or loss equal to the difference, if any, between the amount realized and the sum of the exercise price and the ordinary compensation income recognized. Such gain or loss will be treated as short-term or long-term capital gain or loss if the shares are capital assets in the participant's hands depending upon the length of time that the participant held the shares.

**The Board believes that the proposed Amendment to the 2002 Stock Option Plan will help the Company attract and retain qualified officers, directors and key employees. Accordingly, the Board believes that the Amendment to the 2002 Stock Option Plan is in the best interest of the Company and unanimously recommends a vote FOR its approval.**

#### PROPOSAL II

##### AMENDMENT TO THE COMPANY'S INCENTIVE STOCK PLAN

The Board of Directors unanimously proposes that the stockholders approve an amendment to the Company's Incentive Plan, increasing by 500,000 the number of shares of the Common Stock reserved for issuance under such plan. Under the Incentive Stock Plan currently in effect, which was adopted by the Board of Directors in June 2003, 500,000 shares of Common Stock have been reserved for issuance. As of the Record Date, 108,000 shares remained available for issuance under the Incentive Stock Plan. The Board of Directors believes that the proposed increase in the number of shares available for issuance under the

Incentive Stock Plan is necessary in order to continue the effectiveness of the Incentive Stock Plan in attracting, motivating and retaining outside directors, officers and key employees with appropriate experience and ability to increase the grantees' alignment of interest with the Company's Stockholders.

The Incentive Stock Plan provides that it will be administered by the Compensation Committee of the Board. The committee will determine, among other things, the directors, officers and other employees of the Company to whom "restricted stock", "deferred stock" or "other stock-based awards" will be granted. The Committee also determines the terms and conditions of each grant, the restrictions and limitations thereof, including vesting and forfeiture provisions.

The summary of the Incentive Stock Plan does not purport to be complete and is qualified in its entirety by reference to the full text of the Incentive Stock Plan, a copy of which is attached hereto as Exhibit C.

**The Board believes that the proposed Amendment to the Incentive Stock Plan will help the Company attract and retain qualified officers, directors and key employees. Accordingly, the Board believes that the Amendment to the Incentive Stock Plan is in the best interest of the Company and unanimously recommends a vote FOR its approval.**

**EXHIBIT B**

**2002 STOCK OPTION PLAN  
OF  
TAKE-TWO INTERACTIVE SOFTWARE, INC.  
(As Amended on June 24, 2002 and April 17, 2003)**

**I. Purpose**

Take-Two Interactive Software, Inc. (the "Company") desires to attract and retain the best available talent and encourage the highest level of performance in order to continue to serve the best interests of the Company, and its stockholders. By affording key personnel and other persons who are expected to contribute to the success of the Company the opportunity to acquire proprietary interests in the Company and by providing them incentives to put forth maximum efforts for the success of the Company, the 2002 Stock Option Plan of the Company (the "2002 Plan") is expected to contribute to the attainment of those objectives.

The word "Subsidiary" or "Subsidiaries", as used herein, shall have the meaning set forth in Section 424(f) of the Internal Revenue Code of 1986, as amended (the "Code"), or any successor thereto.

The word "Parent" as used herein, shall have the meaning set forth in Section 424(e) of the Code, or any successor thereto.

## **2. Scope and Duration**

Options under the 2002 Plan may be granted in the form of incentive stock options ("Incentive Options") as provided in Section 422 of the Code, or in the form of nonqualified stock options ("Non-Qualified Options"). (Unless otherwise indicated, references in the 2002 Plan to "options" include Incentive Options and Non-Qualified Options.) The maximum aggregate number of shares as to which options may be granted from time to time under the 2002 Plan is 4,000,000 shares of the common stock of the Company ("Common Stock"), which shares may be, in whole or in part, authorized but unissued shares or shares reacquired by the Company. The maximum number of shares with respect to which options may be granted under the 2002 Plan to any individual employee of the Company or a subsidiary of the Company during the term of the 2002 Plan is 500,000. If an option shall expire, terminate or be surrendered for cancellation for any reason without having been exercised in full, the shares represented by the option or portion thereof not so exercised shall (unless the 2002 Plan shall have been terminated) become available for subsequent option grants under the 2002 Plan. As provided in Paragraph 13 hereof, the 2002 Plan shall become effective on April 25, 2002, and unless terminated sooner pursuant to Paragraph 14 hereof, the 2002 Plan shall terminate on April 24, 2012, and no option shall be granted hereunder after that date.

## **3. Administration**

The 2002 Plan shall be administered by the Board of Directors of the Company, or, at their discretion, by a committee which is appointed by the Board of Directors to perform such function (the "Committee"). The Committee shall consist solely of at least two members of the Board of Directors, each of whom shall serve at the pleasure of the Board of Directors and shall be a "Non-Employee Director" as defined in Rule 16b-3 pursuant to the Securities Exchange Act of 1934 (the "Act") or any successor rule and, if practicable, shall be "outside directors" as defined in Section 162(m) of the Code. Vacancies occurring in the membership of the Committee shall be filled by appointment by the Board of Directors.

The Board of Directors or the Committee, as the case may be, shall have plenary authority in its sole discretion, subject to and not inconsistent with the express provisions of the 2002 Plan, to grant options, to determine the purchase price of the Common Stock covered by each option, the term of each option, the persons to whom, and the time or times at which, options shall be granted and the number of shares to be covered by each option; to designate options as Incentive Options or Non-Qualified Options; to interpret the 2002 Plan; to prescribe, amend and rescind rules and regulations relating to the 2002 Plan; to determine the terms and provisions of the option agreements (which need not be identical) entered into in connection with options under the 2002 Plan; and to make all other determinations deemed necessary or advisable for the administration of the 2002 Plan. The Board of

-25-

---

Directors or the Committee, as the case may be, may delegate to one or more of its members or to one or more agents such administrative duties as it may deem advisable, and the Board of Directors or the Committee, as the case may be, or any person to whom it has delegated duties as aforesaid may employ or engage one or more persons to render advice with respect to any responsibility the Board of Directors or the Committee, as the case may be, or such person may have under the 2002 Plan.

## **4. Eligibility; Factors to be Considered in Granting Options**

Incentive Options shall be limited to persons who are employees of the Company or its present and future Subsidiaries or, if applicable, its present and future Parent and at the date of grant of any option are in the employ of the Company or its present and future Subsidiaries or Parent. In determining the employees to whom Incentive Options shall be granted and the number of shares to be covered by each Incentive Option, the Board of Directors or the Committee, as the case may be, shall take into account the nature of employees' duties, their present and potential contributions to the success of the Company and such other factors as it shall deem relevant in connection with accomplishing the purposes of the 2002 Plan. An employee who has been granted an option or options under the 2002 Plan may be granted an additional option or options, subject, in the case of Incentive Options, to such limitations as may be imposed by the Code on such options. Except as provided below, a Non-Qualified Option may be granted to any person, including, but not limited to, employees, independent agents, consultants, attorneys and advisors, who the Board of Directors or the Committee, as the case may be, believes has contributed, or will contribute, to the success of the Company.

## **5. Option Price**

The purchase price of the Common Stock covered by each option shall be determined by the Board of Directors or the Committee, as the case may be, and shall not be less than 100% of the Fair Market Value (as defined in Paragraph 15 hereof) of a share of the Common Stock on the date on which the option is granted. Such price shall be subject to adjustment as provided in Paragraph 12 hereof. The Board of Directors or the Committee, as the case may be, shall determine the date on which an option is granted; in the absence of such a determination, the date on which the Board of Directors or the Committee, as the case may be, adopts a resolution granting an option shall be considered the date on which such option is granted.

## **6. Term of Options**

The term of each option shall be not more than 10 years from the date of grant, as the Board of Directors or the Committee, as the case may be, shall determine, subject to earlier termination as provided in Paragraphs 10 and 11 hereof.

## **7. Exercise of Options**

(a) Subject to the provisions of the 2002 Plan, options granted under the 2002 Plan shall become exercisable as determined by the Board of Directors or Committee, as the case may be. In its sole discretion, the Board of Directors or the Committee, as the case may be, may, in any case or cases, prescribe that options granted under the 2002 Plan become exercisable in installments or provide that an option may be exercisable in full immediately upon the date of its grant or at a later date. The Board of Directors or the Committee, as the case may be, may, in its sole discretion, also provide that an option granted pursuant to the 2002 Plan shall immediately become exercisable in full upon the happening of any of the following events or such other events as the Board of Directors or the Committee, as the case may be, determines: (i) a "change in control" of the Company as hereafter defined; or (ii) with respect to an employee, on his 65th birthday. In the event of a question or controversy as to whether or not any of the events hereinabove described has taken place, a determination by the Board of

Directors or the Committee, as the case may be, that such event has or has not occurred shall be conclusive and binding upon the Company and participants in the 2002 Plan.

(b) For purposes of the 2002 Plan, a “change in control of the Company” shall be deemed to occur, unless previously consented to in writing by the optionee or any person entitled to act under Paragraph 11 hereof, upon (i) the actual acquisition or the execution of an agreement to acquire 50% or more of the voting securities of the Company by any person or entity not affiliated with the grantee, or any person entitled to act under Paragraph 11

-26-

hereof (other than pursuant to a bona fide underwriting agreement relating to a public distribution of securities of the Company), (ii) the commencement of a tender or exchange offer for more than 50% of the voting securities of the Company by any person or entity not affiliated with the grantee, or any persons entitled to act under Paragraph 11 hereof, (iii) the commencement of a proxy contest against the management for the election of a majority of the Board of Directors of the Company if the group conducting the proxy contest owns, has or gains the power to vote at least 50% of the voting securities of the Company, (iv) a vote by the Board of Directors to merge, consolidate, sell all or substantially all of the assets of the Company to any person or entity not affiliated with the grantee, or any persons entitled to act under Paragraph 11 hereof, or (v) the election of directors constituting a majority of the Board of Directors who have not been nominated or approved by the Company; provided, however, for purposes of the 2002 Plan, it shall not be deemed a change in control of the Company if such person or entity acquires 50% or more of the voting securities of the Company (A) as a result of a combination of the Company or a wholly-owned subsidiary of Company with another entity owned or controlled by such persons or entity (whether effected by a merger, sale of assets or exchange of stock or otherwise) (the “Combination”) and (B) after completion of the Combination and for a continuous period of not less than twelve (12) months thereafter (I) executive officers of the Company (as designated in the Company’s most recent Annual Report on Form 10-K or its most recent Proxy Statement filed with the Securities and Exchange Commission with respect to its Annual Meeting of Stockholders) immediately prior to the Combination constitute not less than 50% of the executive officers of the Company after the Combination or (II) the members of the Board of Directors of Company immediately prior to the Combination constitute not less than 50% of the membership of the Board of Directors of the Company after the Combination. For purposes of calculating the executive officers of the Company after the Combination, those executive officers who are terminated by the Company for cause or who terminate their employment without good reason, as determined by the Board of Directors or Committee shall be excluded from the calculation entirely.

(c) Any option at any time granted under the 2002 Plan may contain a provision to the effect that the optionee (or any persons entitled to act under Paragraph 11 hereof) may, at any time at which Fair Market Value is in excess of the exercise price and prior to exercising the option, in whole or in part, request that the Company purchase all or any portion of the option as shall then be exercisable at a price equal to the difference between (i) an amount equal to the option price multiplied by the number of shares subject to that portion of the option in respect of which such request shall be made and (ii) an amount equal to such number of shares multiplied by the fair market value of the Company’s Common Stock (within the meaning of Section 422 of the Code and the treasury regulations promulgated thereunder) on the date of purchase. The Company shall have no obligation to make any purchase pursuant to such request, but if it elects to do so, such portion of the option as to which the request is made shall be surrendered to the Company. The purchase price for the portion of the option to be so surrendered shall be paid by the Company, less any applicable withholding tax obligations imposed upon the Company by reason of the purchase, at the election of the Board of Directors or the Committee, as the case may be, either in cash or in shares of Common Stock (valued as of the date and in the manner provided in clause (ii) above), or in any combination of cash and Common Stock, which may consist, in whole or in part, of shares of authorized but unissued Common Stock or shares of Common Stock held in the Company’s treasury. No fractional share of Common Stock shall be issued or transferred and any fractional share shall be disregarded. Shares covered by that portion of any option purchased by the Company pursuant hereto and surrendered to the Company shall not be available for the granting of further options under the 2002 Plan. All determinations to be made by the Company hereunder shall be made by the Board of Directors or the Committee, as the case may be.

Any option granted under the 2002 Plan may also contain a provision to the effect that the payment of the exercise price may be made by delivery to the Company by the optionee of an executed exercise form together with irrevocable instructions to a broker-dealer to sell or margin a sufficient portion of the shares sold or margined and deliver the sale or margin loan proceeds directly to the Company to pay for the exercise price.

(d) An option may be exercised, at any time or from time to time (subject, in the case of Incentive Options, to such restrictions as may be imposed by the Code), as to any or all full shares as to which the option has become exercisable until the expiration of the period set forth in Paragraph 6 hereof, by the delivery to the Company, at its principal place of business, of (i) written notice of exercise in the form specified by the Board of Directors or the Committee, as the case may be, specifying the number of shares of Common Stock with respect to which the option is being exercised and signed by the person exercising the option as provided herein, (ii) payment of the purchase price; and (iii) in the case of Non-Qualified Options, payment in cash of all withholding tax obligations imposed on the Company by reason of the exercise of the option. Upon acceptance of such notice,

-27-

receipt of payment in full, and receipt of payment of all withholding tax obligations, the Company shall cause to be issued a certificate representing the shares of Common Stock purchased. In the event the person exercising the option delivers the items specified in (i) and (ii) of this Subsection (d), but not the item specified in (iii) hereof, if applicable, the option shall still be considered exercised upon acceptance by the Company for the full number of shares of Common Stock specified in the notice of exercise but the actual number of shares issued shall be reduced by the smallest number of whole shares of Common Stock which, when multiplied by the Fair Market Value of the Common Stock as of the date the option is exercised, is sufficient to satisfy the required amount of withholding tax.

(e) If the payment of the purchase price is to be made in cash, the cash purchase price of the shares as to which an option is exercised shall be paid in full at the time of exercise. Payment shall be made in cash, which may be paid by check or other instrument acceptable to the Company; in addition, subject to compliance with applicable laws and regulations and such conditions as the Board of Directors or the Committee, as the case may be, may impose, the Board of Directors or the Committee, as the case may be, in its sole discretion, may on a case-by-case basis elect to accept payment in shares of Common Stock of the Company which are already owned by the option holder and have been owned by the option holder for at least six months (or such other period as the Board or Committee, as the case may be, determines), valued at the Fair Market Value thereof (as defined in Paragraph 15 hereof) on the date of exercise; provided, however, that with respect to Incentive Options, no such discretion may be exercised unless the option agreement permits the payment of the purchase price in that manner.

(f) Except as provided in Paragraphs 10 and 11 hereof, no option granted to an employee may be exercised at any time by such employee unless such employee is then an employee of the Company or a Subsidiary or Parent.

## 8. Incentive Options

(a) With respect to Incentive Options granted, the aggregate Fair Market Value (determined in accordance with the provisions of Paragraph 15 hereof at the time the Incentive Option is granted) of the Common Stock or any other stock of the Company or its current or future Subsidiaries or Parent with respect to which incentive stock options, as defined in Section 422 of the Code, are exercisable for the first time by any employee during any calendar year (under all incentive stock option plans of the Company and its parent and subsidiary corporations, as those terms are defined in Section 424 of the Code) shall not exceed \$100,000.

(b) No Incentive Option may be awarded to any employee who immediately prior to the date of the granting of such Incentive Option owns more than 10% of the combined voting power of all classes of stock of the Company or any of its Subsidiaries unless the exercise price under the Incentive Option is at least 110% of the Fair Market Value of the Common Stock on the date of grant and the option expires within 5 years from the date of grant.

(c) In the event of amendments to the Code or applicable regulations relating to Incentive Options subsequent to the date hereof, the Company may amend the provisions of the 2002 Plan, and the Company and the employees holding options may agree to amend outstanding option agreements, to conform to such amendments.

#### **9. Non-Transferability of Options**

Except as may be otherwise provided by the Board or Committee at or after the date of grant with respect to a Non-Qualified Option, options granted under the 2002 Plan shall not be transferable otherwise than by will or the laws of descent and distribution, and options may be exercised during the lifetime of the optionee only by the optionee. No transfer of an option by the optionee by will or by the laws of descent and distribution shall be effective to bind the Company unless the Company shall have been furnished with written notice thereof and a copy of the will and such other evidence as the Company may deem necessary to establish the validity of the transfer and the acceptance by the transferor or transferees of the terms and conditions of such option.

#### **10. Termination of Employment**

In the event that the employment of an employee to whom an option has been granted under the 2002 Plan shall be terminated (except as set forth below or in Paragraph 11 hereof), such option may be, subject to the provisions of the 2002 Plan, exercised (to the extent that the employee was entitled to do so at the termination of his employment) at any time within ninety (90) days after such termination (or such longer or shorter period as may be determined by the Board or Committee, as the case may be, at or at any time after the date of grant of the option), but not later than the date on which the option terminates; provided, however, that any option which is held by an employee whose employment is terminated for cause or voluntarily without the consent of the Company (for purposes of the 2002 Plan termination due to retirement at or after age 65 shall be deemed to be with the consent of the Company) shall, to the extent not theretofore exercised, automatically terminate as of the date of termination of employment. As used herein, "cause" shall mean conduct amounting to fraud, dishonesty, negligence, or engaging in competition or solicitations in competition with the Company and breaches of any applicable employment agreement between the Company or any Subsidiary or Parent and the optionee. Options granted to employees under the 2002 Plan shall not be affected by any change of duties or position so long as the holder continues to be a regular employee of the Company or any of its current or future Subsidiaries. Any option agreement or any rules and regulations relating to the 2002 Plan may contain such provisions as the Board of Directors or the Committee, as the case may be, shall approve with reference to the determination of the date employment terminates and the effect of leaves of absence. The Board of Directors, or Committee, as the case may be, shall, in its sole discretion, determine for purposes of the 2002 Plan whether the Company has consented to the departure of an employee who voluntarily leaves the employ of the Company.

Notwithstanding the foregoing, the Board of Directors or Committee, as the case may be, either at or any time after the date of grant of an option, may, in its discretion, provide for longer or shorter periods than the ninety (90) day period specified above during which an option held by an employee may be exercised by the employee after the employee ceases to be employed by the Company or a Subsidiary or Parent. Any such determination shall be based upon such factors as the Board of Directors or the Committee, as the case may be, shall determine, provided, however, that no such discretion shall be exercised with respect to an employee whose employment with the Company or Subsidiary or Parent has been terminated for cause.

#### **11. Death or Disability of Employee**

If an employee to whom an option has been granted under the 2002 Plan shall die while employed by the Company or a Subsidiary or Parent or within ninety (90) days (or such longer or shorter period as the Board of Directors, or the Committee, as the case may be, shall determine at or any time after the date of grant of the option) after the termination of such employment (other than termination for cause or voluntary termination without the consent of the Company), such option may be exercised, to the extent exercisable by the employee on the date of death, by a legatee or legatees of the employee under the employee's last will, or by the employee's personal representative or distributees, at any time within one year after the date of the employee's death, but not later than the date on which the option terminates. In the event that the employment of an employee to whom an option has been granted under the 2002 Plan shall be terminated as the result of a disability (the determination of which shall be made by the Board of Directors or Committee, as the case may be), such option may be exercised, to the extent exercisable by the employee on the date of such termination, at any time within one year after the date of such termination, but not later than the date on which the option terminates.

Notwithstanding the foregoing, the Board of Directors, or Committee, as the case may be, either at or at any time after the date of grant of an option, may, in its discretion, provide for longer or shorter periods than the one year period specified above in which an option held by an employee who ceases to be employed by the Company as a result of death or disability may be exercised. Any such determination shall be based upon such factors as the Board or the Committee, as the case may be, shall determine, provided, however, that no such discretion shall be exercised with respect to an employee who dies after the employee's employment with the Company or Parent or Subsidiary has been terminated for cause.

-29-

#### **12. Adjustments Upon Changes in Capitalization, Etc.**

Notwithstanding any other provision of the 2002 Plan, the Board of Directors or the Committee, as the case may be, may, at any time, make or provide for such adjustments to the 2002 Plan, to the number and class of shares issuable thereunder or to any outstanding options as it shall deem appropriate to prevent dilution or enlargement of rights, including adjustments in the event of changes in the outstanding Common Stock by reason of stock dividends, split-ups, recapitalizations, mergers, consolidations, combinations or exchanges of shares, separations, reorganizations, liquidations and the like. In the event of any offer to holders of Common Stock generally relating to the acquisition of their shares, the Board of Directors or the Committee, as the case may be, may make such

adjustment as it deems equitable in respect of outstanding options and rights, including in its sole discretion revision of outstanding options and rights so that they may be exercisable for the consideration payable in the acquisition transaction. Any such determination by the Board of Directors or the Committee, as the case may be, shall be conclusive and binding upon the Company and the participants in the 2002 Plan. Any fractional shares resulting from such adjustments shall be eliminated.

### **13. Effective Date**

The 2002 Plan shall become effective on April 25, 2002, the date of adoption by the Board of Directors of the Company, subject to approval by the stockholders of the Company on or before April 24, 2003.

### **14. Termination and Amendment**

The Board of Directors of the Company may suspend, terminate, modify or amend the 2002 Plan, provided that any amendment that would increase the aggregate number of shares which may be issued under the 2002 Plan, materially modify the requirements as to eligibility for participation in the 2002 Plan or increase the benefits under the Plan, shall be subject to the approval of the Company's stockholders, except that any such increase or modification that may result from adjustments authorized by Paragraph 12 hereof does not require such approval. No suspension, termination, modification or amendment of the 2002 Plan may, without the consent of the person to whom an option shall theretofore have been granted, adversely affect the rights of such person under such option.

### **15. Miscellaneous**

As said term is used in the 2002 Plan, the "Fair Market Value" of a share of Common Stock on any day means: (a) if the principal market for the Common Stock is a national securities exchange or the National Association of Securities Dealers Automated Quotations System ("NASDAQ), the closing sales price of the Common Stock on such day as reported by such exchange or market system, or on a consolidated tape reflecting transactions on such exchange or market system, or (b) if the principal market for the Common Stock is not a national securities exchange and the Common Stock is not quoted on NASDAQ, the mean between the highest bid and lowest asked prices for the Common Stock on such day as reported by the National Quotation Bureau, Inc.; provided that if clauses (a) and (b) of this paragraph are both inapplicable, or if no trades have been made or no quotes are available for such day, the Fair Market Value of the Common Stock shall be determined by the Board of Directors or the Committee, as the case may be, and shall be conclusive as to the Fair Market Value of the Common Stock.

In the event the Company is the subject of an acquisition, merger or consolidation or similar transaction where the Company is not the surviving entity, the Board or Committee, as the case may be, may in its sole discretion, but shall not be required to, request that as a condition of the transaction the surviving entity assume the obligations of the Company with respect to the options then outstanding under the 2002 Plan.

The Board of Directors or the Committee, as the case may be, may require, as a condition to the exercise of any options granted under the 2002 Plan, that to the extent required at the time of exercise, (i) the shares of Common Stock reserved for purposes of the 2002 Plan shall be duly listed, upon official notice of issuance, upon stock exchange(s) on which the Common Stock is listed, (ii) a Registration Statement under the Securities Act of 1933, as amended, with respect to such shares shall be effective, and/or (iii) the person exercising such option

deliver to the Company such documents, agreements and investment and other representations as the Board of Directors or the Committee, as the case may be, shall determine to be in the best interests of the Company.

During the term of the 2002 Plan, the Board of Directors or the Committee, as the case may be, in its sole discretion, may offer one or more option holders the opportunity to surrender any or all unexpired options for cancellation or replacement. If any options are so surrendered, the Board of Directors or the Committee, as the case may be, may then grant new Non-Qualified or Incentive Options to such holders for the same or different numbers of shares at higher or the same exercise prices than the surrendered options. Such new options may have a different term and shall be subject to the provisions of the 2002 Plan the same as any other option.

Anything herein to the contrary notwithstanding, the Board of Directors or the Committee, as the case may be, may, in its sole discretion, impose more restrictive conditions on the exercise of an option granted pursuant to the 2002 Plan, including the ability of an option holder to exercise an option after cessation of employment; however, any and all such conditions shall be specified in the option agreement limiting and defining such option. The Board of Directors or the Committee, as the case may be, may also amend the terms of any option previously granted under the 2002 Plan, provided that the terms of any such amended option are not inconsistent with any provisions of the 2002 Plan and that no such amendment shall adversely affect the rights of the person to whom the option has been granted without the consent of such person or, if applicable, the permitted transferee of such optionee or any person entitled to act under Paragraph 11 hereof.

NOTHING IN THE 2002 PLAN OR IN ANY OPTION GRANTED PURSUANT TO THE 2002 PLAN SHALL CONFER UPON ANY EMPLOYEE ANY RIGHT TO CONTINUE IN THE EMPLOY OF THE COMPANY OR ANY OF ITS SUBSIDIARIES OR PARENT OR AFFILIATED COMPANIES OR INTERFERE IN ANY WAY WITH THE RIGHT OF THE COMPANY OR ANY SUCH SUBSIDIARY OR PARENT OR AFFILIATED COMPANIES TO TERMINATE SUCH EMPLOYMENT AT ANY TIME.

### **16. Compliance with SEC Regulations.**

It is the Company's intent that the 2002 Plan comply in all respects with Rule 16b-3 of the Act or any successor rule and any regulations promulgated thereunder. If any provision of the 2002 Plan is later found not to be in compliance with said Rule, the provisions shall be deemed null and void.

## Section 1. Purpose

The purpose of the Take-Two Interactive Software, Inc. Incentive Stock Plan is to enable Take-Two Interactive Software, Inc. (the "Company") to offer to those of its employees and to the employees of its Subsidiaries who are expected to contribute to the success of the Company, long term equity interests in the Company, thereby enhancing its ability to attract, retain and reward such key employees, and to increase the mutuality of interests between those employees and the shareholders of the Company.

## Section 2. Administration

The Plan shall be administered by the Compensation Committee of the Board of Directors (the "Board"), the membership of which shall consist solely of two or more members of the Board, each of whom shall serve at the pleasure of the Board and shall be a "Non-Employee Director," as defined in Rule 16b-3 under the Securities Exchange Act of 1934, and, if practicable, shall also be an "outside director," as defined in Section 162(m) of the Internal Revenue Code, and shall be at all times constituted so as not to adversely affect the compliance of the Plan with the requirements of Rule 16b-3 or with the requirements of any other applicable law, rule or regulation.

The Committee shall have the authority to grant, pursuant to the terms of the Plan, to directors (other than directors serving as members of the Committee), officers and other employees shares of the Company's Common Stock ("Stock") pursuant to: (i) Section 5 ("Restricted Stock"), (ii) Section 6 ("Deferred Stock") and/or (iii) Section 7 ("Other Stock-Based Awards"). Notwithstanding anything in the Plan to the contrary, the Board reserves the right to make and set the terms of and to interpret the terms of any grant of Stock under the Plan to directors who are members of the Committee.

For purposes of illustration and not of limitation, the Committee shall have the authority (subject to the express provisions of the Plan):

- (i) to select the directors, officers and other employees of the Company or any Subsidiary to whom Restricted Stock, Deferred Stock and/or Other Stock-Based Awards may be from time to time granted hereunder;
- (ii) to determine the Restricted Stock, Deferred Stock and/or Other Stock-Based Awards, or any combination thereof, if any, to be granted hereunder to one or more eligible persons;
- (iii) to determine the number of shares of Stock to be covered by each award granted hereunder;
- (iv) to determine the terms and conditions, not inconsistent with the terms of the Plan, of any award granted hereunder (including, but not limited to, share price, any restrictions or limitations, and any vesting acceleration and/or forfeiture provisions);
- (v) to determine the terms and conditions under which awards granted hereunder are to operate on a tandem basis and/or in conjunction with or apart from other awards made by the Company or any Subsidiary outside of the Plan; and
- (vi) to determine the extent and circumstances under which Stock and other amounts payable with respect to an award hereunder shall be deferred.

-32-

---

Subject to Section 9 hereof, the Committee shall have the authority to (i) adopt, alter and repeal such administrative rules, guidelines and practices governing the Plan as it shall, from time to time, deem advisable, (ii) interpret the terms and provisions of the Plan and any award issued under the Plan (and to determine the form and substance of all agreements relating thereto), and (iii) to otherwise supervise the administration of the Plan.

Subject to the express provisions of the Plan, all decisions made by the Committee pursuant to the provisions of the Plan shall be made in the Committee's sole and absolute discretion and shall be final and binding upon all persons, including the Company, its Subsidiaries and the Plan participants.

## Section 3. Stock Subject to Plan

The total number of shares of Stock reserved and available for distribution under the Plan shall be 500,000 shares, and shall include Restricted Stock previously granted by the Committee and Board. Such shares may consist, in whole or in part, of authorized and unissued shares or treasury shares.

If any shares of Stock that are subject to any Restricted Stock, Deferred Stock or Other Stock-Based award are forfeited, such shares shall again be available for distribution under the Plan.

In the event of any merger, reorganization, consolidation, recapitalization, stock dividend, stock split, extraordinary distribution with respect to the Stock or other change in corporate structure affecting the Stock, such substitution or adjustments shall be made in the aggregate number of shares of Stock reserved for issuance under the Plan.

Subject to the provisions of the immediately preceding paragraph, the maximum numbers of shares subject to Restricted Stock, Deferred Stock and other Stock-Based awards to (i) all of the Company's directors and officers (as determined in accordance with Rule 16a-1(f) of the Securities Exchange Act of 1934) as a group or (ii) each of the Company's chief executive officer and the four other highest compensated executive officers who are employed by the Company on the last day of any taxable year of the Company, shall be 250,000 shares during the term of the Plan.

## Section 4. Eligibility

Directors, officers and other employees of the Company or any Parent or Subsidiary (but excluding any person whose eligibility would adversely affect the compliance of the Plan with the requirements of Rule 16b-3) who are at the time of the grant of an award under the Plan employed by the Company or any Subsidiary and who are responsible for or contribute to the management, growth and/or profitability of the business of the Company or any Parent or Subsidiary, are eligible to be granted awards under the Plan. Eligibility under the Plan shall be determined by the Committee.

The Committee may, in its sole discretion, include additional conditions and restrictions in connection with awards under the Plan. The grant of an award under the Plan, and any determination made in connection therewith, shall be made on a case by case basis and can differ among grantees. The grant of an award under the Plan is a privilege and not a right and the determination of the Committee can be applied on a non-uniform (discretionary) basis.

## Section 5. Restricted Stock

- (a) *Grant and Exercise.* Shares of Restricted Stock may be issued either alone or in addition to or in tandem with other awards granted under the Plan. The Committee shall determine the eligible persons to whom, and the time or times at which grants of Restricted Stock will be made, the number of shares to be awarded, the price (if any) to be paid by the recipient, the time or times within which such awards may be subject to forfeiture (the “Restriction Period”), the vesting schedule and rights to acceleration thereof, and all other terms and conditions of the awards. The Committee may condition the grant of Restricted Stock upon the attainment of such factors as the Committee may determine.

-33-

- (b) *Terms and Conditions.* Each Restricted Stock award shall be subject to the following terms and conditions:
- (i) Restricted Stock, when issued, will be represented by a stock certificate or certificates registered in the name of the holder to whom such Restricted Stock shall have been awarded. During the Restriction Period, the Restricted Stock shall be subject to such restrictions, terms and conditions as may be established by the Committee.
  - (ii) Restricted Stock shall constitute issued and outstanding shares of Common Stock for all corporate purposes, and the issuance thereof shall be made for at least the minimum consideration (if any) necessary to permit the shares of Restricted Stock to be deemed to be fully paid and nonassessable. The holder will have the right to vote such Restricted Stock, to receive and retain all regular cash dividends and other cash equivalent distributions as the Board may in its sole discretion designate, pay or distribute on such Restricted Stock and to exercise all other rights, powers and privileges of a holder of Stock with respect to such Restricted Stock, with the exceptions that (A) other than regular cash dividends and other cash equivalent distributions as the Board may in its sole discretion designate, pay or distribute, the Company will retain custody of all distributions (“Retained Distributions”) made or declared with respect to the Restricted Stock (and such Retained Distributions will be subject to the same restrictions, terms and conditions as are applicable to the Restricted Stock) until such time, if ever, as the Restricted Stock with respect to which such Retained Distributions shall have been made, paid or declared shall have become vested and with respect to which the Restriction Period shall have expired; (B) the holder may not sell, assign, transfer, pledge, exchange, encumber or dispose of the Restricted Stock or any Retained Distributions during the Restriction Period; and (C) a breach of any of the restrictions, terms or conditions contained in the Plan or any agreement referred to in Section 5(b)(iv) below, or otherwise established by the Committee with respect to any Restricted Stock or Retained Distributions will cause a forfeiture of such Restricted Stock and any Retained Distributions with respect thereto. Notwithstanding anything to the contrary in this Plan, the Committee may grant Restricted Stock awards outright, without any restrictions and conditions, except those restrictions under federal securities laws.
  - (iii) Upon the expiration of the Restriction Period with respect to each award of Restricted Stock and the satisfaction of any other applicable restrictions, terms and conditions (A) all or part of such Restricted Stock shall become vested in accordance with the terms of any agreement referred to in Section 5(b)(iv) below or as otherwise established by the Committee, and (B) any Retained Distributions with respect to such Restricted Stock shall become vested to the extent that the Restricted Stock related thereto shall have become vested. Any such Restricted Stock and Retained Distributions that do not vest shall be forfeited to the Company and the holder shall not thereafter have any rights with respect to such Restricted Stock and Retained Distributions that shall have been so forfeited.
  - (iv) Restricted Stock awards may be confirmed by, and may be subject to the terms of, an agreement executed by the Company and the participant.

## Section 6. Deferred Stock

- (a) *Grant and Exercise.* Deferred Stock may be awarded either alone or in addition to or in tandem with other awards granted under the Plan. The Committee shall determine the eligible persons to whom and the time or times at which Deferred Stock shall be awarded, the number of shares of Deferred Stock to be awarded to any person, the duration of the period (the “Deferral Period”) during which, and the conditions under which, receipt of the Deferred Stock will be deferred, and all the other terms and conditions of the awards. The Committee may condition the grant of the Deferred Stock upon the attainment of such factors or criteria as the Committee shall determine.

-34-

- (b) *Terms and Conditions.* Each Deferred Stock award shall be subject to the following terms and conditions:
- (i) Subject to the provisions of the Plan, any agreement referred to in Section 6(b)(vii) below and any conditions otherwise established by the Committee, Deferred Stock awards may not be sold, assigned, transferred, pledged or otherwise encumbered during the Deferral Period. At the expiration of the Deferral Period (or the Additional Deferral Period referred to in Section 6(b)(vi) below, where applicable), share certificates shall be delivered to the participant, or his legal representative, in a number equal to the shares of Stock covered by the Deferred Stock award.
  - (ii) As determined by the Committee at the time of award, amounts equal to any dividends declared during the Deferral Period (or the Additional Deferral Period referred to in Section 6(b)(vi) below, where applicable) with respect to the number of shares covered by a Deferred Stock award may be paid to the participant currently or deferred and deemed to be reinvested in additional Deferred Stock.
  - (iii) Subject to the provisions of any agreement referred to in Section 6(b)(vii) below and this Section 6 and Section 11(g) below, upon termination of a participant’s employment with the Company or any Parent or Subsidiary for any reason during the Deferral Period (or the Additional Deferral Period referred to in Section 6(b)(vi) below, where applicable) for a given award, the Deferred Stock in question will vest or be forfeited in accordance with the terms and conditions established by the Committee at the time of grant.
  - (iv) The Committee may, after grant, accelerate the vesting of all or any part of any Deferred Stock award and/or waive the deferral limitations for all or any part of a Deferred Stock award.
  - (v) In the event of hardship or other special circumstances of a participant whose employment with the Company or any Parent or Subsidiary is involuntarily terminated (other than for cause), the Committee may waive in whole or in part any or all of the remaining deferral limitations imposed hereunder or pursuant to any agreement referred to in Section 6(b)(vii) below with respect to any or all of the participant’s Deferred Stock.

- (vi) A participant may request to, and the Committee may at any time, defer the receipt of an award (or an installment of an award) for an additional specified period or until a specified period or until a specified event (the “Additional Deferral Period”). Subject to any exceptions adopted by the Committee such request must be made at least one year prior to expiration of the Deferral Period for such Deferred Stock award (or such installment).
- (vii) Deferred Stock awards may be confirmed by, and may be subject to the terms of, an agreement executed by the Company and the participant.

## Section 7. Other Stock-Based Awards

- (a) *Grant and Exercise.* Other Stock-Based Awards, which may include performance shares and shares valued by reference to the performance of the Company or any Subsidiary, may be granted either alone or in addition to or in tandem with Restricted Stock or Deferred Stock. The Committee shall determine the eligible persons to whom, and the time or times at which, such awards shall be made, the number of shares of Stock to be awarded pursuant to such awards, and all other terms and conditions of the awards. The Committee may also provide for the grant of Stock under such awards upon the completion of a specified performance period.

-35-

- (b) *Terms and Conditions.* Each Other Stock-Based Award shall be subject to the following terms and conditions:
  - (i) Shares of Stock subject to an Other Stock-Based Award may not be sold, assigned, transferred, pledged or otherwise encumbered prior to the date on which the shares are issued, or, if later, the date on which any applicable restriction or period of deferral lapses.
  - (ii) The recipient of an Other Stock-Based Award shall be entitled to receive, currently or on a deferred basis, dividends or dividend equivalents with respect to the number of shares covered by the award, as determined by the Committee at the time of the award. The Committee may provide that such amounts (if any) shall be deemed to have been reinvested in additional Stock.
  - (iii) Any Other Stock-Based Award and any Stock covered by any Other Stock-Based Award shall vest or be forfeited to the extent so provided in any agreement referred to in Section 7(b)(v) below or as otherwise determined by the Committee.
  - (iv) In the event of the participant’s retirement, disability or death, or in cases of special circumstances, the Committee may waive in whole or in part any or all of the limitations imposed hereunder (if any) with respect to any or all of an Other Stock-Based Award.
  - (v) Other Stock-Based Awards may be confirmed by, and may be subject to the terms of, an agreement executed by the Company and by the participant.

## Section 8. Change of Control Provisions

- (a) A “Change of Control” shall be deemed to have occurred on the tenth day after:
  - (i) any individual, corporation or other entity or group (as defined in Section 13(d)(3) of the Exchange Act), becomes, directly or indirectly, the beneficial owner (as defined in the General Rules and Regulations of the Securities and Exchange Commission with respect to Sections 13(d) and 13(g) of the Exchange Act) of more than 50% of the then outstanding shares of the Company’s capital stock entitled to vote generally in the election of directors of the Company; or
  - (ii) the commencement of, or the first public announcement of the intention of any individual, firm, corporation or other entity or of any group (as defined in Section 13(d)(3) of the Exchange Act) to commence, a tender or exchange offer subject to Section 14(d)(1) of the Exchange Act for any class of the Company’s capital stock; or
  - (iii) the shareholders of the Company approve (A) a definitive agreement for the merger or other business combination of the Company with or into another corporation pursuant to which the shareholders of the Company do not own, immediately after the transaction, more than 50% of the voting power of the corporation that survives, or (B) a definitive agreement for the sale, exchange or other disposition of all or substantially all of the assets of the Company, or (C) any plan or proposal for the liquidation or dissolution of the Company;

provided, however, that a “Change of Control” shall not be deemed to have taken place if beneficial ownership is acquired (A) directly from the Company, other than an acquisition by virtue of the exercise or conversion of another security unless the security so converted or exercised was itself acquired directly from the Company, or (B) by, or a tender or exchange offer is commenced or announced by, the Company, any profit-sharing, employee ownership or other employee benefit plan of the Company; or any trustee of or fiduciary with respect to any such plan when acting in such capacity.

-36-

- (b) In the event of a “Change of Control” as defined in Section 8(a) above, all restrictions and deferral limitations contained in Restricted Stock, Deferred Stock and Other Stock-Based Awards granted under the Plan shall lapse, unless the provisions of this Section 8 are suspended or terminated by an affirmative vote of a majority of the Board prior to the occurrence of such a “Change of Control.”

## Section 9. Amendments and Termination

The Board may at any time, and from time to time, amend any of the provisions of the Plan, and may at any time suspend or terminate the Plan; provided, however, that any amendment that would increase the number of shares which may be issued under the Plan, materially modify the requirements as to eligibility under the Plan or increase the benefits under the Plan, shall be subject to stockholder approval. Subject to the preceding sentence, the Committee may amend the terms of any award heretofore granted under the Plan; provided, however, that subject to Section 3 above, no such amendment may be made by the Committee which in any material respect impairs the rights of the participant without the participant’s consent, except for such amendments which are made to cause the Plan to qualify for the exemption provided by Rule 16b-3.

## Section 10. Unfunded Status of Plan

The Plan is intended to constitute an "unfunded" plan for incentive and deferred compensation. With respect to any payments not yet made to a participant by the Company, nothing contained herein shall give any such participant any rights that are greater than those creditor of the Company.

#### **Section 11. General Provisions**

- (a) The Committee may require each person acquiring shares of Stock pursuant to an award under the Plan to represent to and agree with the Company in writing that the participant is acquiring the shares for investment without a view to distribution thereof.  
  
All certificates for shares of Stock delivered under the Plan shall be subject to such stop transfer orders and other restrictions as the Committee may deem to be advisable under the rules, regulations, and other requirements of the Securities and Exchange Commission, any stock exchange or association upon which the Stock is then listed or traded, any applicable Federal or state securities law, and any applicable corporate law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.
- (b) Nothing contained in the Plan shall prevent the Board from adopting such other or additional incentive arrangements as it may deem desirable, including, but not limited to, the granting of stock options and the awarding of stock and cash otherwise than under the Plan; and such arrangements may be either generally applicable or applicable only in specific cases.
- (c) Nothing contained in the Plan or in any award hereunder shall be deemed to confer upon any employee of the Company or any Parent or Subsidiary any right to continued employment with the Company or any Parent or Subsidiary, nor shall it interfere in any way with the right of the Company or any Parent or Subsidiary to terminate the employment of any of its employees at any time.
- (d) No later than the date as of which an amount first becomes includable in the gross income of the participant for Federal income tax purposes with respect to any award under the Plan, the participant shall pay to the Company, or make arrangements satisfactory to the Committee regarding the payment of, any Federal, state and local taxes of any kind required by law to be withheld or paid with respect to such amount. If permitted by the Committee tax withholding or payment obligations may be settled with Stock, including Stock that is part of the award that gives rise to the withholding requirement. The obligations of the Company under the Plan shall be conditional upon such payment or arrangements, and the Company shall, to the extent permitted

-37-

---

by law, have the right to deduct any such taxes from any payment of any kind otherwise due to the participant from the Company or any Parent or Subsidiary.

- (e) The Plan and all awards made and actions taken thereunder shall be governed by and construed in accordance with the laws of the State of New York (without regard to choice of law provisions).
- (f) Any award made under the Plan shall not be deemed compensation for purposes of computing benefits under any retirement plan of the Company or any Parent or Subsidiary and shall not affect any benefits under any other benefit plan now or subsequently in effect under which the availability or amount of benefits is related to the level of compensation (unless required by specific reference in any such other plan to awards under the Plan).
- (g) A leave of absence, unless otherwise determined by the Committee prior to the commencement thereof, shall not be considered a termination of employment. Any awards made under the Plan shall not be affected by any change of employment, so long as the holder continues to be an employee of the Company or any Parent or Subsidiary.
- (h) Except as otherwise expressly provided in the Plan or in any agreement, no right or benefit under the Plan may be alienated, sold, assigned, hypothecated, pledged, exchanged, transferred, encumbered or charged, and any attempt to alienate, sell, assign, hypothecate, pledge, exchange, transfer, encumber or charge the same shall be void. No right or benefit hereunder shall in any manner be subject to the debts, contracts or liabilities of the person entitled to such benefit.
- (i) The obligations of the Company with respect to all awards under the Plan shall be subject to (A) all applicable laws, rules and regulations, and such approvals by any governmental agencies as may be required, and (B) the rules and regulations of any securities exchange or association on which the Stock may be listed or traded.
- (j) If any of the terms or provisions of the Plan conflicts with the requirements of Rule 16b-3 as in effect from time to time, or with the requirements of any other applicable law, rule or regulation, then such terms or provisions shall be deemed inoperative to the extent they so conflict with the requirements of said Rule 16b-3.

#### **Section 12. Effective Date of Plan**

The Plan shall be effective as of the date of the approval and adoption thereof at a meeting of the Board, provided that the Plan shall cover Restricted Stock previously granted by the Committee and Board.

#### **Section 13. Term of Plan**

No award shall be granted pursuant to the Plan after the tenth anniversary of the effective date of the Plan, but awards granted on or prior to such tenth anniversary may extend beyond that date.
